3. If neither team can produce the required number of eligible players at the stated game time, a double forfeit will occur, and the official standings shall show a loss for both teams. The team will not be allowed to play again until the \$20 fee has been paid at the Adult Sports office or payment information can be called in to the Adult Sports Staff. This rule applies only if no players show up for the scheduled game and the Adult Sports Staff has not been notified of the forfeit. A voicemail will be considered a notification if done before your team's scheduled game time.

Article III. Coed Rules

Section 3.01 COED ROSTER

1. There is no maximum limit to the number of females that must be on the field. To ensure coed participation, a penalty will ensue if the offensive team fails to use a female as an operative player within three (3) consecutive downs.
 - a. An "operative" player is defined as a player who 1) is the intended receiver in the eyes of the official; 2) runs the ball as the primary runner but does not have to cross the line of scrimmage; 3) receives the snap as the QB and must attempt to be the person who initiates the ball crossing the line of scrimmage unless she is sacked.
 - b. An "operative" player is NOT defined as a player who 1) hands off the football; 2) snaps the ball into play; 3) receives a hand-off only to give it back to a male before crossing the line of scrimmage; 4) is pitched the ball by a male player AFTER he crosses the line of scrimmage.

Section 3.02 PLAY EXAMPLES

1. A pass deflected by a male and caught by a female IS a female play.
2. A pass intended for a female (in the eyes of the referee) that is deflected by a female and caught by a male COUNTS as a female play.
3. A pass thrown by a male, received by a male, and immediately pitched to a female (the "hook and ladder") WILL NOT constitute a female play – no matter how far the female player advances with the ball after the pitch.
4. If a female pitches the ball to a male behind the line of scrimmage, this will NOT result in a female play.

Section 3.03 GENERAL COED RULES

1. The penalty for running three (3) consecutive downs without a female as an operative player will result in a dead ball, a 5-yard penalty, and a loss of down. The next play **must** be a female play.
2. Plays utilizing a female and resulting in the "loss of down" penalties will still be considered "female" plays. Plays utilizing a female resulting in a non-loss of down penalty will NOT count as a gender play. The play never existed.
3. The slate is clean for extra points and punts. Everyone is eligible.
4. If a male is the QB on a play which could be either to a male or a female and the QB is sacked, the ball is spotted where he is sacked. The play stands as a male play, no matter who was the intended receiver. If a team was force to use a female as the operative player and the male QB is sacked, the play stands as a female play. The offensive team does NOT have to use a female on the next play.

Article IV. Discipline

Section 4.01 MANAGER'S RESPONSIBILITIES

1. Managers will be responsible to see that all their players know and abide by the rules as stated in the City of Plano Adult Flag Football By-laws. Further, managers are responsible for their players knowing and abiding by the City of Plano Adult Sports Sportsmanship Guidelines. If a manager cannot or will not

control his/her players and spectators, he/she faces league sanctions ranging from removal or ejection to forfeiture of games.

2. **Only** the manager or his designated team representative may discuss a call or decision made by the officials. The manager or designated team representative is responsible for maintaining the team's cooperation with the referees and City Staff.

Section 4.02 SPORTSMANSHIP GUIDELINES

 - e. **No Person Shall:** Be guilty of using unnecessary rough tactics in the play of the game against a person of the opposing team. Referees are required to immediately remove or eject the player from further play and report the player to City Staff.
 - f. **No Person Shall:** Be guilty of endangering a player, league referee, City Staff, or spectator.

 - i. **No Person Shall:** Appear upon the field of play at any time in an intoxicated condition. Referees are required to immediately remove or eject the player from further play and report the player to City Staff.
 - j. **No Person Shall:** Use profane language before, during, or after any game on City property. Referees are required to immediately remove or eject the player from further play and report the player to City Staff.
 - k. **The Manager and Team Shall:** Be responsible for the conduct of their fans and supporters. If fans and supporters become abusive toward team members, referees, or City Staff, they place the team in jeopardy of forfeiting the game.

Section 4.03 PENALTIES

1. Use of profane language and/or unsportsmanlike conduct shall be an automatic suspension. It shall not be necessary for the Adult Flag Football Advisory Committee to meet except to increase the length of a suspension.
2. Unsportsmanlike conduct will not be tolerated at any time for any reason. Managers, players, coaches, and spectators may be suspended from league play for **any** violation of the Sportsmanship Guidelines before, during, or after any game on City property. The Parks & Recreation Adult Sports Supervisor will

decide on the length of suspensions, but there shall be a **minimum of two games or more** for the violation of any Sportsmanship Guideline.

- a. **Two-Game Suspension:** The player shall immediately be ejected from the game in which he/she is playing. The player is required to leave the facility and is ineligible to play in any other game that night. The two-game suspension shall be enforced beginning with the next game in the league in which the violation occurred.
 - b. **Suspension Greater Than Two Games:** The suspension shall be effective for the number of games designated following the game in which the violation occurred. The suspended player may not return to the park and will not be allowed to participate with any team playing in a City of Plano Flag Football league game or tournament until the suspension has been fulfilled.
3. Any player **ejected** from a game **must immediately leave the park**. If the player refuses to leave the park or threatens an umpire at the time of the ejection, the game will be forfeited even if there are still eight (8) players eligible to play.
 4. Bye-weeks and rained out games do not count towards a suspension.
 5. Players may not participate in playoffs or tournament games until the full suspension has been served.
 6. Playoff games and tournament games will count as games served to fulfill a suspension.
 7. The suspension will be carried over to the next season if a player does not have a sufficient number of games remaining on his/her team schedule to complete the suspension.
 8. There will be an indefinite period of time for fighting (fights will be defined as intent to do harm). Any or all persons involved in a fight will be suspended. Whole teams may be suspended if the infraction is severe enough (i.e. striking a referee, mass fights, striking a City Staff member, etc.).
 9. A **one-year suspension** will be warranted if a second two-game suspension is drawn. **THE MAXIMUM PENALTY APPLIED AFTER THE SECOND EJECTION MAY RESULT IN A ONE-YEAR SUSPENSION FROM PARTICIPATION IN ALL CITY OF PLANO ADULT SPORT LEAGUES AND MAY RESULT IN A ONE-YEAR SUSPENSION FROM PARTICIPATION IN ALL SPORTS IN ALL TAAF AFFILIATED LEAGUES.**
 10. A **one-year or more** suspension will be issued for striking a referee or City Staff member. Suspension will be forwarded to the State Commissioner and the TAAF Suspension Review Board.
 11. Referees have the option of **removing** a player for minor infractions. A removal means that the player may not play for the remainder of the game only. The player **does not have to leave the park**, and the game may continue if there are at least eight (8) players eligible for play. **The referees have the right to increase a removal to an ejection if the unsportsmanlike behavior continues.**

Section 4.04 APPEALS

1. The City of Plano Adult Flag Football Advisory Committee will accept appeals of suspension from teams or players as long as:

 - c. Provide contact information for any and all witnesses to the incident.
3. The City of Plano Adult Flag Football Advisory Committee will review all written documentation provided by all parties involved including players, umpires, spectators, and City Staff. Upon reviewing the written documentation, the Committee will decide the necessity of:
 - a. **A meeting** with all involved parties to gain additional information.

- i. If the Flag Football Advisory Committee finds it necessary to meet with the individuals involved, staff will set the date, time, and location of the meeting. All involved parties will be contacted and informed of the date, time, and location of the meeting. Every effort will be made to give at least one (1) week notice of the meeting. Once a date and time for the meeting have been set, they will not be changed or rescheduled except for unforeseen circumstances.
- b. **A suspension**
 - i. If the Flag Football Advisory Committee decides that meeting with all the involved parties is not necessary, Committee members will decide if the suspension is warranted. If the suspension is deemed to be warranted, members will decide if it should be shortened, lengthened, or remain as is.
- c. Once The Flag Football Advisory Committee has ruled on the suspension, the team manager or player will be notified by the City of Plano Adult Sports Supervisor who will inform him/her of the Committee's ruling.
