Woodland Adult Softball Rules & Regulations

Fall 2011

All games will be governed by current ASA Rules, with the exception of the modified local league rules for Woodland.

League entry fee covers the cost of league games only. Adult programs must be self-supporting. Fees shall defray the costs for officials, awards, scorekeepers, lights, field preparation, etc.

Schedules will be made in advance of league play. Changes in the current schedule may be refused.

Manager Responsibility

The team manager is responsible for his/her players knowing these rules and regulations. It is assumed that all players will be so informed. Any questions regarding these rules should be directed to the Sports Department, the Recreation Supervisor responsible for athletic leagues. Managers are ultimately responsible for the actions of their team members and fans. Managers may face ejection, probation, suspension, or league banning for the action of their players or fans. Managers will be held accountable for all team organizational misdoings.

Failure to Adhere to League Rules & Regulations

Any team, manager, or player who fails to abide by the Woodland Adult Softball Rules and Regulations, Sports Park rules, and City Code, may be subject to forfeiture, suspension, or even banning from the league. Program staff reserves the right to determine at any time the consequences for failing to adhere to the rules.

League Participants

All players must be at least 16 years of age. High School baseball and softball participants are not permitted to play during their current school league.

All players must be prepared to show proof of identification when asked at any game. Players who fail to present identification when asked may not play in that game. ID checks will be done at random, or upon request. Any photo identification including a driver's licenses, passport, military id, or work id will be accepted.

Any player using false information will be suspended from all league play for the remainder of the season, or for a minimum of four weeks. The team manager will additionally be suspended for allowing the illegal player to play with incorrect information

A player shall be eligible to play on ONE TEAM per NIGHT of play (Except for Friday where you can play on 1 Coed team and 1 Men's team). Any player found to be on more than one team roster per night (or in a league they have been banned from) will be suspended for a minimum of two weeks from all of the City of Woodland league play and placed on probation for the remainder of the season, or for a minimum of four weeks. Additionally, any games the illegal player participated in will be recorded as a forfeit. The team manager in which the illegal player played for will face suspension for allowing the illegal player to play on the team.

Any player found playing after being suspended will be suspended for one calendar year from the date of the infraction. Additionally, the team manager who allowed the illegal player to play will face suspension and probation for allowing the player to play.

******Players are eligible to play in any League.******

Team Registration/Rosters

Every team must have a completed roster to participate in the league. Rosters are due at the time of registration. Any team registering without a roster (turning in money, roster to be turned in later) will be automatically placed in the highest level of play.

All players must be at least 16 years of age and must have signed the official roster form.

All players participating in any City organized league game must be registered on the appropriate team roster prior to that player's first game. All information must be properly filled out for a roster to be valid. If a player is caught playing without signing the roster, that player and the team's manager will be suspended for one full week from all of City of Woodland softball and the team is subject to forfeiture.

The City of Woodland has the right to alter/deny offensive or inappropriate official team names, names on jerseys, or logos.

Player Adds/Drops

Players can be added or dropped from the roster at any time during the season. However, rosters will be frozen (No more adds) at the start of their last regular season game. Therefore, to play in the playoffs a player must be on the roster before the start of the last regular season game.

Players wishing to be added or dropped must complete an Add/Drop Slip. The form and the fee can be returned to the Parks & Recreation office or to the field supervisor prior to game time.

For adds taken at the fields, it is the added player's responsibility to be sure their add form is processed and they have been legally put on the team. Additionally, City of Woodland reserves the right to not allow any add based on player eligibility for team/division.

The Add fee is \$5 for resident of Woodland or \$20 for each non-resident. The add fee is due at the time of when the add form is turned in. No addition is official without payment.

Teams may have as many non-residents as they wish. Teams may pay the UNLIMITED NON-RESIDENT fee of \$50 for the entire team at the time of registration. For teams paying the unlimited non-resident fee, their

non-resident additions will be charged the \$5 fee. **A non-resident is any participant not residing within the Woodland City limits.**

At this time, there is NO drop fee. To drop any player from a team, complete the Add/Drop form and submit at any time. Any player not properly dropped from a team (then is put on a roster for another team in division/night), the team will face forfeiture for every game still on roster and/or suspension of the team manager.

Team League Organization

Team rosters will be limited to 22 players. Teams may bat an unlimited number of batters, may only have ten players in the field (see batting order rules.) Extra batters must be listed on the official line up and be given to the scorekeeper before the start of the game. The batting order is then set and may not be rearranged, except for legal substitutions. When playing substitutes, managers are responsible to inform the scorekeeper when the substitutes are entering the game.

All players who play defense, must also play offensively.

Each team manager shall provide the official scorekeeper with a line-up ten minutes prior to game time. Line ups must have players' first and last names. The line up is not official without correct first and last names of all players playing in the game. Be sure the roster is accurate and has only players playing in the game on it.

The scorekeeper will not add any players to line up once the batting order has been batted around, unless a team is playing with less than ten players.

Starting the Game

The game clock will begin at the scheduled game time and no sooner without the consent of both team managers. Both teams (at least 8 players) shall be on the field or in the dugout and ready to play at game time. If either team has less than eight players at the scheduled game time, a five minute grace period will be given. During the grace period the team with the proper number of players will be awarded one extra run and the game clock will continue to run. If the eighth player does not arrive within the five –minute grace period, the game is declared a forfeit.

To eliminate forfeiture with not enough players, teams may “borrow” players from the other teams, so as long as the player is a legitimate player in the league with a waiver and the player(s) are approved by the Manager of the opposing team. A team may only borrow players if they have less than nine players for the game. And the team may only borrow enough players to make NINE TOTAL players playing in the game. In this circumstance, adding more players than nine will be an immediate forfeiture. Additionally, if the team borrowing players has players arrive late to the game, those players MUST SUB in for the borrowed players to play.

Local Game Rules

Game Time

All games will be played within a fifty-five minute time limit with a maximum of 7 innings. A new inning officially starts when the third out is made in the bottom half of the previous inning. If the home team is at bat and is leading when the 55 minute time limit is reached the game is over.

Ties

In the event of a tie after 55 minutes of play or 7 innings, the visiting team will then put the player who made their last out on second base with 1 out. The line-up will then continue as normal. After the 3 outs are reached the home team will then have an opportunity to bat under the same circumstance. If a winner is not reached after 2 additional innings the game will be declared a tie.

Courtesy Runners

One courtesy runner may be used per inning, per team. For Co-ed teams, one male and one female runner may be used per inning. The runner **MUST** be the last batter to make an out, of the same sex. If a courtesy runner is on base when his/her place in the batting order comes up, he/she will be called out.

Pitching

A legally pitched ball must reach a height of 6 feet and not more than 10 feet from the ground. Pitchers may pitch from behind the rubber up to 6 feet back so long as one foot stays within the width of the rubber. Pitchers are allowed five warm-up pitches before the start of the game and three pitches between innings (time permitting). No overhand warm-up pitches will be allowed between the pitcher and anyone at the home plate area. No infield or outfield practice will be allowed after the first inning.

One & One Count

All batters will start with a **one ball - one strike count**. Batters are allowed one extra foul ball (i.e., if a batter fouls off what would have been the third strike, they have one more strike – the next batted ball must be fair).

Dead Ball Situation

Batters releasing the bat into the catcher while he/she is in position shall be called out. Ball is dead.

Strike Mat

A mat will be used behind home plate to determine balls and strikes. A ball pitched with a legal arc that hits any part of the strike mat is a called strike. A ball pitched with a legal arc (6'-10') and does not hit the mat or hits the home plate is a called a ball.

The strike mat is not an extension of the home plate. A base-runner must tag the home plate on plays at the plate and then a run is scored.

Sliding

Sliding is allowed in all leagues. In Co-ed, players must avoid contact at Home.

Inclement Weather

In the event of rain or other field problems, a game will be considered official if five full innings have been played (4½ innings if home team ahead); otherwise, the game will be replayed at a later date (determined by the Recreation Supervisor).

Improper Language

Any vulgarity or language an umpire finds inappropriate shall warrant a one time, team warning. After the warning, any audible profanity shall be subject to immediate ejection. An umpire may eject a player for profanity without a warning. Any post ejection demonstrations of profanity or other un-sportsmanlike conduct may result in game forfeiture, as well as player suspensions.

Injured Players and can not play remainder of game.

Co-ED

FEMALE INJURY. If a female is injured (and must be removed from play) and there is no substitute for her, then this is the situation of male/male batters and this is an automatic out. Scorekeepers will note this in the book.

MALE INJURY. If a male is injured (and must be removed from play) and there is no substitute for him, then his place in the line-up may be skipped. Scorekeepers will note this in the book.

MEN'S

If a player is injured (and must be removed from play) and there is no substitute for him, this player can be skipped in the line-up. Scorekeepers will note this in the book.

Ejected Players and can not play remainder of game.

ALL LEAGUES This players' place is automatically out each time batted through the line-up.

Home Runs

ALL LEAGUES Each team is allowed to hit 2 home runs and then the equalizer rule will be in affect.

Batters Box

If there is not a painted or chalked batters box a batter will not be called out for stepping out of the batters box when making contact with a pitched ball. If a batter is not near the plate and has not assumed a batting stance the ball shall not be pitched. If the batter steps on or over home plate while making contact with a pitched ball the batter will be called out.

Mercy Rule

If a team is losing by 15 or more runs after five full innings, the game will be called. If the losing team is the home team, they will be allowed to bat to complete the inning.

Delay of Game

The home plate umpire will have the scorekeeper stop the timer for delays such as an injured player who is unable to leave the field for several minutes. If such a delay is of abnormal length, the Field Supervisor, scorekeeper and/or umpires may decide on a postponement.

Alcohol

Any consumption of alcohol at the Woodland Sports Park is not permitted.

All rules not covered here shall be governed by the current A.S.A. Rulebook.

Rules pertaining to Co-ED only

Line ups

Each Co-ED team shall consist of a minimum of four women and four men. If a team has the minimum four men, an unlimited number of women may play. There must be an equal number of men to women, or more women than men, playing at all times. Teams may NEVER play with more men than women.

The batting order will alternate between men and women; the only exception is when a team has more women than men. Teams are allowed to bat two women directly next to each other in the line up, however, a team may not bat two men directly next to each other in the line-up.

If a team has more men than women, the extra man must be substituted. For example, if a team has six men and only five women, the sixth man can not play until he is subbed in and another male is subbed out keeping the total of men to women even at 5. All six men may not be in the batting order at the same time.

Co-Ed Offense

When a male is walked with two outs, the next female batter has the option to additionally take a walk.

A **commitment line** will be used between third base and home in the co-ed Leagues. Once a base-runner crosses the commitment line they must continue running home. The play at home becomes a force out at home. The base-runner's foot must cross the ground past the home plate extension line before the force is made at home to be called safe.

Base Running

A commitment line will be used between third base and home in the co-ed Leagues. Once a base-runner crosses the commitment line they must continue running home. The play at home becomes a force out at home. The base-runner's foot must cross the ground past the home plate extension line before the force is made at home to be called safe.

Base runners running toward home must run to the right of home plate. Base-runners may NOT step on the white home plate or they will be called out. Stepping on the black strike mat will not result in an out. Once the base runner has crossed the home plate extension line, the run has scored.

Courtesy runners, one male and one female runner may be used per inning. The runner MUST be the last batter to make an out, of the same sex. If a courtesy runner is on base when his/her place in the batting order comes up, he/she will be called out.

Co-ED Defense

Co-ED defensive positioning shall include two males and two females in the outfield, three males and three females in the infield positions. Players of the same sex may play next to each other within the separate units mentioned above.

For Co-ed, all outfielders must remain behind the painted 165-foot outfield restraining line while the women on the opposing team bat. The line may be crossed by the outfielders as soon as the hitter makes contact with the ball. All infielders must play on the brown turf of the infield when a female is at bat.

Woman Injury

If a woman gets injured and is unable to continue to play the team may continue batting its original line up taking an out at the injured woman's place in the line-up. However, the amount of men to women in the field must remain equal.

Contact in Co-ED

Base runners are allowed to slide at all bases in all coed leagues. EXCEPTION: A commit line will be used at home in both Co-Ed leagues demonstrated with a cone or painted line. In all cases male players are expected to avoid excessive contact with female opponents.

If contact occurs the male will always be assumed to be at fault. The umpire will rule the play against the male and in favor of the female. Repetition of contact or flagrant offenses will be grounds for removing the offenders from the game.

The only exceptions will be:

- A. If the contact is very minor and inconsequential it will be disregarded.
- B. If a female attempts to abuse this rule by intentionally causing the contact the rule will not be enforced.

Tie in League Standings

In the event of a tie in standings, the tie will determine playoff placement, the tie will be broken in the following order:

1. Winning percentage
2. Head to Head
3. Head to Head runs against
4. Total runs against
5. Head to Head differential
6. Total Runs against
7. Coin Toss

Officials

Officials are assigned to all scheduled league games. Officials shall have complete charge of the game, the players, managers, coaches, sponsors, and spectators. In extreme cases of misconduct, the official may discontinue play and issue a forfeit or double forfeit. The official's decision is final.

Player Conduct

Players and spectators are expected to maintain a high level of good sportsmanship. These programs are designed to provide a recreational experience with fun and exercise. Players participating in any kind of physical or verbal confrontation on the field or at the facility are subject to suspension for the current season

or the entire remaining softball year. Spectators involved in any misconduct are subject to suspension from the fields and/or arrest.

Protests

Protests that arise during the game based on rule interpretation shall be announced by the manager of the protesting team to the umpire immediately and before the next pitch is made. The umpire shall in turn notify the opposing manager and official scorekeeper. Protest based on an umpire's judgment in calling play will not be accepted. Protest based on the misinterpretation or misapplication of playing rule or on the eligibility of any player will be reviewed and ruled upon by the Parks and Recreation staff.

The protesting manager shall complete the Intent to Protest form and return to the Parks & Recreation Office during the first working day following the protested game. A \$30 protest fee must accompany the intent to protest, which will be refunded if the protest is upheld. This intent protest shall include:

1. The date, time, place of the game, and names of the teams involved.
2. Names of umpires and scorekeeper.
3. A description of the rules and procedures involved.
4. All essential facts involved in the matter of protest.

When a protest based on interpretation or application of a rule is upheld, the game shall be replayed from the point of the protest with the decision corrected only if the outcome would affect the league championship.

Managers may protest the opposing team of illegal players. If the player is in the starting lineup or enters the game either on the field or at bat, he/she must be protested before the end of the game. The protesting manager shall notify the umpire and the scorekeeper of his/her intent to protest and must submit all appropriate paperwork along with the \$30 protest fee during the first working day following the protested game. When a protest based on the use of an ineligible/illegal player is upheld, the game shall be forfeited to the protesting team. Appropriate action will be taken against the ineligible/illegal player and manager.

Appeals

Team managers may make appeals on the following decisions:

- The placement of a team in a league (e.g. the league the team is placed in and the make-up of the team.)
- The prohibition of a player on a team.
- The suspension of a player.

Any team or player is eligible to appeal. A written appeal and a \$30 fee (per appeal) must be submitted within 7 calendar days of being notified of the decision. The fee will be refunded if the appeal is approved. The appeal will be brought before the Dispute Resolution Board (a local board made up of one umpire and two team managers). In very rare instances, the appeal may be brought before the local ASA Appeals Board. This is solely at the discretion of the full time staff responsible for the Adult Sports leagues.

Equipment

Jewelry

For safety and injury prevention, no jewelry such as watches, bracelets, earrings, or necklaces may be worn by any player. All players must wear shoes and shirt or tank top in all league games, shoes must be closed-toed.

Cleats

No cleats are allowed.

Blood

Any player, coach or umpire who is bleeding or who has blood on his/her uniform shall be prohibited from participating further in the game until appropriate treatment can be administered (i.e., bandage/cover the wound or remove/change the bloodied clothing.)

Bats

All bats must be ASA approved and ASA ruling to bats shall be enforced. Bats that are ASA approved must have an official ASA stamp on the bat. Bats may not have any alteration on the handle and baseball bats may not be used. For a list of illegal bats, see the ASA non-approved bat list. The umpire shall have the final decision in determining bat eligibility in accordance with ASA rules.

Any player caught using an illegal bat will be immediately ejected. Any player using an illegal bat a second time, any time during the season, will be ejected from that game and may face suspension for a minimum of four additional games. ***Umpires may remove a bat from a game, even if it is not on the list, if they feel the bat is inappropriate for that league.***

Playoffs

For final playoff games, games will play out to the complete 7 innings. There will not be a 55 minute time limit. The 15 rule may be in affect in the FINAL playoff game (the game for 1st place.)

Players SHOULD bring ID's to playoff games as they may be checked and a player in question without their ID will NOT be allowed to play in the game.

Player Code of Conduct
