PROGRAM GUIDELINES

1. **Practices-** Kindergarten - 2nd grade teams can practice twice a week for one (1) hour long before the first game begins. **Once games begin, teams will be allowed only 1 practice per week.**
2. **Games-** Teams will play 2 games per week, usually (1) weeknight game and (1) Saturday game. Teams will have a five (5) minute warm-up before the start of each game.
3. **Game Time-** Games will consist of two (2) twenty (20) minute running clock halves with a three (3) minute half time. The clock will only be stopped for time-outs and injuries not substitutions. The running clock rule is to ensure that all games start on time.
4. **Coaches-** Only two (2) coaches are allowed on the sidelines/bench with their teams. In the Kindergarten-1st grades one (1) coach for each team is allowed to be out on the court with their team. The coach is not allowed to go inside the key or touch the ball. 2nd Grade leagues- coaches are **NOT** allowed on the court with their teams.
5. **Substitutions** - May be made at time-outs, mid-way through the halves, and at half time (not during dead balls). **Exception:** Coaches can meet with officials at the beginning of the game to determine if substitutions need to be made more frequently during dead balls due to the number of players on each team. **(the clock will not stop for substitutions during dead balls).** Substitutions need to be made quickly.
6. **Time-Outs-** Each team is allowed two time-outs per game. Time-outs will be one (1) minute long.
7. **Scoring/Clock-** The team designated as the home team is responsible for providing one adult volunteer to operate the portable clock. No score will be recorded on paper or placed on a scoreboard. Score and standings are not kept.

PLAYING THE GAME

1. **Starting the game-** The game will start with a jump ball. During the game if a tie-up possession occurs, the ball will alternate between the two teams with each jump ball after that. After half time the team with the next jump ball possession will get the ball.
2. **Defense- No back-court press or zone defenses are allowed.** The team that is on defense should guard man-to-man defense and cannot closely guard an offensive player until they cross half court. **No double-teaming**, no clearing out on offense or cherry picking on defense. Players must fall back on defense once the other team has control of the ball in back court.
3. **Stealing-** A defensive player is NOT allowed to steal the ball from another offensive player while dribbling or holding the ball. They may steal a loose ball or a ball that is being passed.
4. **Blocking the shot-** blocking a shot is allowed but is not encouraged at this grade level. Coaches should teach their players to stand with their hands straight up when a player is shooting.
8. **Free Throws-** No free throws will be taken on fouls. The team that is fouled will take the ball out of bounds.
9. **Fouls-** Rules on fouling and all violations will be enforced with some leniency given to the younger leagues. Personal fouls will be called but will not be recorded. If a player is fouled in the act of shooting, made or missed, the team fouled retains possession of the ball and will get the ball out of bounds. The ball will be taken out of bounds on all other fouls as well.
10. **Screening-** All screens will be straight standing with arms across chest or across waistline. No moving feet or leaning into players.
11. Time line for throwing ball into play is **10 seconds**. Time line to cross half court once ball is thrown into play is 10 seconds.
12. If the ball hits behind the backboard it is out-of-bounds and ball is given to other team. **If the ball hits the side of the backboard the ball is still in play.**
13. The officials/coaches for the game are on the floor to keep things safe and assist in teaching the children the basic rules of basketball. In the beginning of the program a lot of flexibility will be given to the children. As the program progresses calls will/should get tighter.
14. **MOST IMPORTANTLY-** This program is recreation in nature. For some children this will be the first time they have ever played the game, while others may already have several skills. This can be a fun, positive learning experience for all participants if this is kept in perspective.
