

ADULT WINTER (7 WEEK) BASKETBALL PROGRAM

NEW FOR 2017 – 7 WEEK SCHEDULE

The Adult Winter Basketball Program offered by MSCR is conducted from early January to mid-February this year.

Participants in both the men's and women's league must be at least 18 years of age and no longer attending high school. Leagues for men are scheduled for Monday, Tuesday, Wednesday or Thursday evenings. Women's leagues are offered on Monday and Wednesday evenings. Players may play multiple nights, but are limited to only one team *per night*.

Teams are asked to rate their skill level and upon being registered are placed in a league of eight teams. Members of the league championship team receive a commemorative MSCR league champion t-shirt in recognition of their accomplishment. Leagues use high school playing rules.

Nearly two hundred teams and approximately nineteen hundred players participate in the program. For their fees, teams receive excellent playing facilities, two officials, a scorer-timer, and a facility supervisor to ensure enjoyment in a safe environment for everyone. Scores and standings are posted daily at mscrsportsleagues.org and www.mschr.org.

Competition is a key ingredient in this program, but rules strive to make games fun and a reflection of good sportsmanship. MSCR is the one for fun! Pass the word and come join us – we look forward to your participation!
