

## How to Create a Team & Order NFL Reversible Jerseys

This year, both **Go Girl** and **Top Dawg** flag football will be using **NFL-style reversible jerseys**. (Go Girl players have traditionally worn Vikings jerseys but may choose any NFL team starting in 2026.) Teams **can keep and reuse jerseys for future years**, so please select sizes carefully—we will not have replacements.

### Step 1: Form Your Team

- Each group selects a **parent coordinator** that emails **Coach Erdmann** ([GoGirlFootball@gmail.com](mailto:GoGirlFootball@gmail.com)) a list of players on the team **and the NFL team uniform they want**.

### Step 2: Register for Your League starting January 1, 2026

- Each athlete signs up for the appropriate league: **GO GIRL** or **TOP DAWG**.

### Step 3: Order & Pay for Your Jersey

- After registering, athletes use the provided link to complete the **jersey order form**.

  - The form includes:
    - **Sizing chart**
    - **Venmo or mailing address** to pay the \$32 to Irish Camps by May 1
