## **90 Minute Match Rule**

### **- Change for FALL 2025**

It is the responsibility of Team Captains to keep games moving in a timely manner. The goal should be to complete a match in 90 minutes. In all circumstances all matches must be completed and off the court within a 105 minute (one hour and three quarters) maximum time, regardless of whether another match is scheduled to follow on the court. If within the allotted time, three games are not likely to be completed, the match will be concluded by shortening the final game by reducing the number of frames .

- The 2025 Fall Rules will spell out the specifics for what to do at 15 min prior to 90 Minute Limit; or a Tie; or match not completed within 105 min..
- The only exception is in the playoffs where matches will be allowed to finish completely.

All regular season league matches will be self-regulated by the Team Captains. Umpires will be provided for the play-offs. In this regard Team Captains and Team Rules POC should ensure that they are fully conversant with the HLBL Rules.

## Team Captains Responsibilities

- Team captains are responsible for the actions of their players. When the “official” team captain is not in attendance an “acting captain” must be appointed.
- Captains should ensure their team’s prompt arrival for their scheduled time. Teams should arrive (15) minutes prior to the start of their match with a minimum of 4 players on each Team.
- Captains are responsible to play all their team members in attendance at least once.
- Captains will determine measurements after any throw. Delegate measurements to team player when Captain playing. Only Team Captain on Courts to do measurement.
- Captains should keep things moving along to complete a match in 90 minutes. In all circumstances all matches must be completed and off the court within a 105 minute (one hour and three quarters) maximum time
- Captains of each team are responsible for keeping the score. The Winning Captain is responsible for completing scoresheet **including points and scores by game and emailing Picture of ScoreSheet** to Chief Scorer before leaving Courts, Both Captains Must sign Scoresheet. Home Captain Completes Auto Score via TS Email.
- Captains are responsible for confirming prior to each match that at least 4 team members on their Team are available to play.
- LOBBING THE BOCCE BALL – NOT ALLOWED (except for physical limitations)

# Scorekeeping

**Team Captains complete Score Card after each Match – Both Captains Sign –**

**“Winning” Captain Takes a picture of scorecard and Emails to Chief Scorer before leaving Courts.**

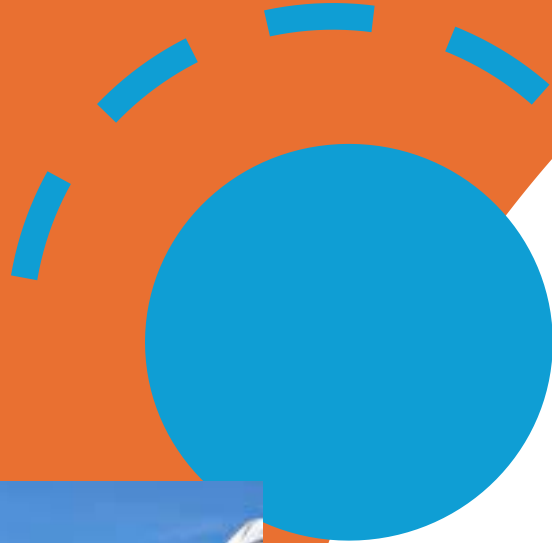

**Chief Scorer will review by end of the match week.**

**The “Home” Team Captain receives the TS Auto Score email. AutoScore is entered after each weekly match and must be completed – Ideally before leaving courts.**

## NEW Automated Scoring Method

### Auto Coach Scoring – REQUIRED FOR FALL 2025

**Auto Coach Scoring** allows Captains to enter the score of their games directly into Team Sideline.

- Speeds up the time it takes to report scores
- Reduces time and labor involved with the manual entry of scores

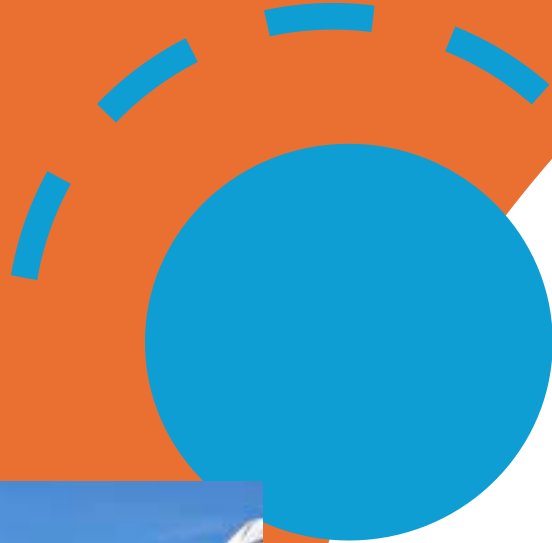

Team Sideline will automatically e-mail the Captain and Assistant Captain at the end of a game.

Home team Captains will click **the scoring link** in the email and enter the scores for **BOTH** teams for the game they just played. Refer to your score sheet.

If scores are not entered, then two reminder emails will be sent.

**Auto Coach Scoring** does not replace the Score Sheet and photo submission of scores!!!! We need both.

**Auto Coach Scoring** can be used for makeup games, but Captains will have to locate the email sent by the system on the original date of the match.
