NEW Automated Scoring Method

Auto Coach Scoring

Auto Coach Scoring allows Captains to enter the score of their games directly into Team Sideline.

- Speeds up the time it takes to report scores
- Reduces time and labor involved with the manual entry of scores

Team Sideline will automatically e-mail the Captain and Assistant Captain at the end of a game.

Home team Captains will click **the scoring link** in the email and enter the scores for **BOTH** teams for the game they just played. Refer to your score sheet.

If scores are not entered, then two reminder emails will be sent.

Auto Coach Scoring does not replace the Score Sheet and photo submission of scores!!!! We need both.

Auto Coach Scoring can be used for makeup games, but Captains will have to locate the email sent by the system on the original date of the match.

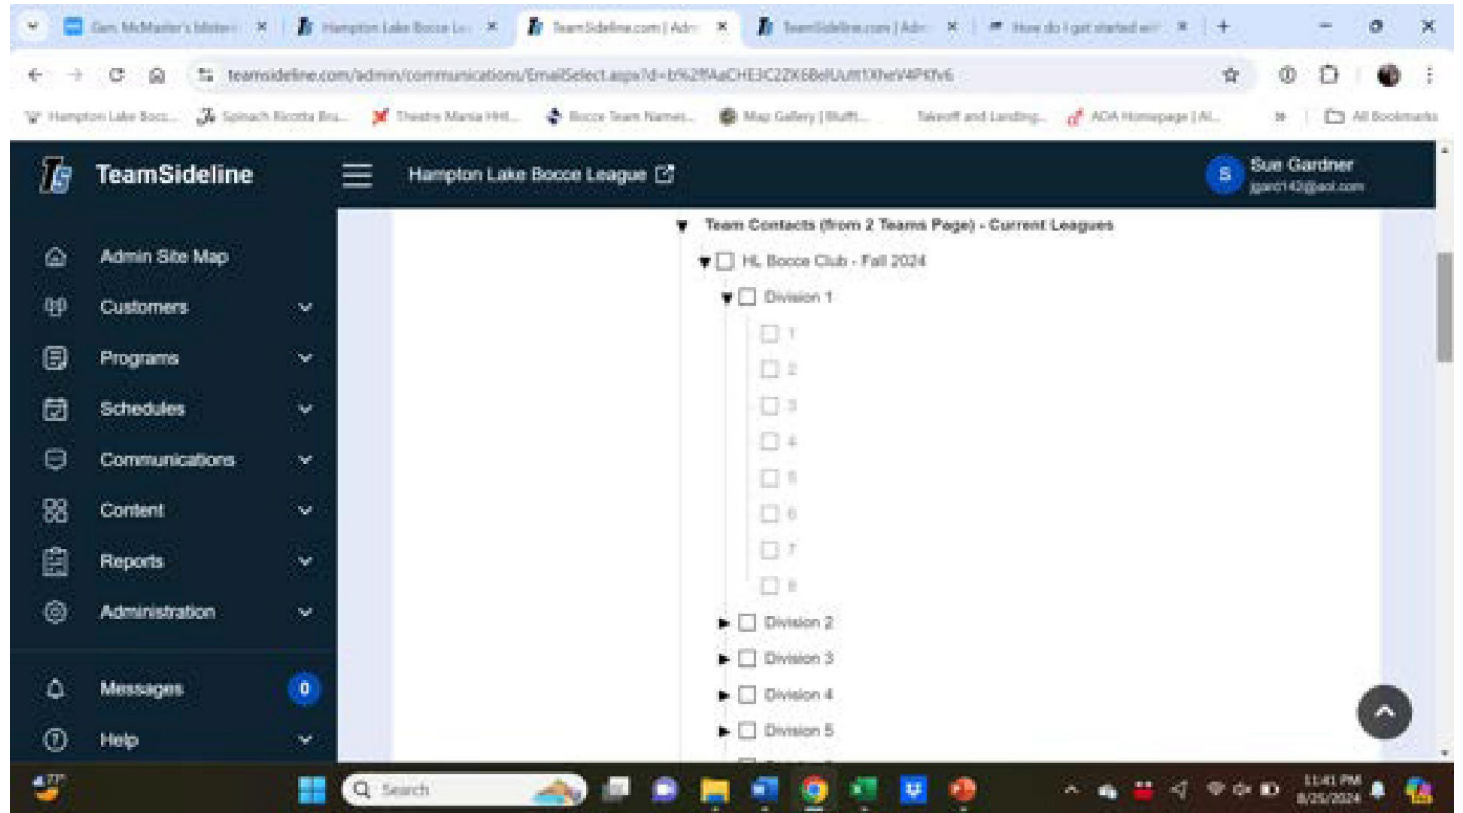

Sample Score Card (excel) - Find it by
Clicking Team Sideline "Download" Tab
