FOOTBALL FANS:

Football season is here! The youth of Graham are excited about football! The Graham Little League Football Association is a not-for-profit association whose goal is to provide a safe and fun environment for the youth in this area to play organized football. There are many volunteer hours spent by members of our community to ensure that our youth have a positive experience with football. Every year is a challenge working with a small budget to source a knowledgeable officiating crew to keep the kids safe and the games under control. With your support, we will provide the resources to help coaches, players and fans adhere to the GLLFA philosophies and code of conduct.

We believe that every youth in this area who would like to participate in football should have the opportunity. Many scholarships are provided every year, and **no child is turned away based on the inability to pay**. We try to keep our registration fees low to encourage participation. This can, however, put a strain on our budget. We are asking for members of the community to help support Graham Little League Football this year through donations.

We will have a sponsorship banner that will be displayed every weekend during the season at Newton Field that will feature the donor's name or business name that has supported GLLFA.

- A Gold sponsor who provides a \$500 donation will have their logos and names listed on top of the banner in large print along with a social media shout out.
- A Silver sponsor who provides a \$350 donation will have their logos and names in smaller print on the banner along with a social media shout out.
- A Bronze Sponsor who provides a \$250 donation will receive a social media shout out.

If you would prefer to email your company logo for the banner please send all emails to football@grahamsportsauthority.com These donations will go a long way towards keeping the association financially sound and allowing all of our youth to compete.

If you donated to GLLFA last year **THANK YOU!** About 200 kids are expected to sign up and compete this fall. We would like to thank you in advance for your 2026 donation. We would also like to invite you to come to the games on Saturday mornings starting in September. Games are held at the High School practice field and Newton Field.
