

## **SAFETY EQUIPMENT WAIVER**

I, \_\_\_\_\_, fully understand that Murrieta Valley Girls Softball Association (MVGSA) highly recommends the proper use of a protective face mask, and other protective equipment for every player in the league. I further understand that although the use of a protective face mask and/or other protective equipment is designed to prevent injuries, not all injuries can be prevented. As the parent of the player with MVGSA, I hereby waive the requirement for my daughter to properly wear a protective face mask. By waiving this requirement, I waive any and all claims by me.
