Dear Soccer Sponsor,

Centralia Youth Soccer would like to extend an invitation to sponsor a team for the season. The last season was very successful with over 500 participants and we are hoping for more this coming season. Centralia Youth Soccer is a nonprofit organization geared towards getting local community children involved in sports. This is a great way to get your business name seen by our community.

Team sponsor fee this year is $300.00 (your business name/logo on jerseys). We also offer a Team/ Field Banner combo for $400.00! The banner includes your business name/logo/info to hang proudly on our fields for all of our soccer community to see both local and visiting teams. The sponsor fees go towards uniforms, gear, training and maintenance costs for our fields. If you would like to become a team sponsor, please fill out this form and mail it to the above address by July 24th, 2026.

If you have any questions, please contact Sarah Holmes at CYSsponsors@gmail.com.

You can also register as a sponsor online at www.centraliayouthsoccer.com. Just click on Sponsor to register or sign into your existing account.
