Boys Basketball League

** Girls league scheduled to start in December. Reg. Deadline Nov. 14.
More information in the Autumn Program Guide page 36.*

All leagues will play 6 intra-team scrimmages for the 2020 fall basketball season. Teams will be randomly selected and players will be placed into a pod up to 16 players. Coaches will practice with their pod each week and then divide the players up on scrimmage days (Saturdays). Each player will receive a team jersey. Scrimmages will be self-officiated, no referees will be used for the fall season. It is recommended players wear black shorts with the jersey. Leagues will be offered again in the winter as well. Details on those will be released in January 2021. All leagues practice 1 hour per week. All practices and scrimmages will be held at the Bartlett Community Center. Travel players are not permitted to play in the fall or winter in-house leagues. This league is designed for boys but girls who are looking for competitive scrimmages are welcome to register.

***Masks must be worn by players, coaches and spectators during both practices and scrimmages.**
