1. SECTION ONE: GENERAL RULES

- a. PLAYING RULES AND ELIGIBILITY – FIFA rules apply if not modified within. The Intervillage Youth Soccer Program rules are to be strictly adhered to and enforced by all member staff.
 - i. All soccer players will register and play at their current grade level unless otherwise approved by district personnel.
 - ii. Requests to “play up” will only be granted in exceptional circumstances. The program’s philosophy is to play children in age/grade-appropriate divisions in the best interest of their overall athletic development and for the program’s social aspects.
 1. Requests to play up are on a case-by-case basis, but to be considered to play up, a child must be within a one-year grade level to be approved. For example, 2nd graders can only play up at U10 (3rd & 4th grade). When age groups make up two years (U10 (3rd & 4th grade), U12 (5th and 6th grade), and U14 (7th and 8th grades)), only current 4th graders can play up at U12, only current 6th graders can play up at U14.
 - iii. Any youth meeting the league requirements will be eligible to participate.
- b. SPORTSMANSHIP, TOBACCO, ALCOHOL, PROFANITY, JEWELRY - Managers and coaches must ensure their conduct is proper in every respect and must make sure that their players and spectators do the same. Tobacco use is strictly prohibited on the playing field, on the players’ bench, and by any player. Alcoholic beverages and any substance abuse in any form are strictly prohibited within the confines of the parks. The use of profanity and obscene gestures by any player, manager, coach, referee, spectator, family member, or parent/guardian is prohibited. Players will be prohibited from wearing any form of jewelry. Players found to be wearing jewelry will be told to remove it by the referee. Medical alert bracelets, necklaces, or religious items are not considered to be jewelry but must be secured to the body.
- c. COACHES – All coaches are volunteers. The coaches’ primary goal is to prepare the player to successfully recognize and solve the game’s challenges on their own. Coaches must approach soccer with this in mind. All coaches are responsible for setting a positive example for players by displaying good sportsmanship and respecting the game’s rules. Disciplinary action will be taken against any coach who does not support the positive mission of the program. The situation will be reported by the referee on their game report. The park district involved will complete an incident reporting form which will be forwarded to the park district representative at the coaches’ home district. That district will be responsible for investigating the incident and taking any necessary action.
- d. PARENTAL RESPONSIBILITY - All parents/guardians and coaches will be required to sign a Code of Conduct.

- i. Parents must shoulder responsibility and take the initiative to make the program successful. Each parent should join in the total effort. There is an opportunity for all to participate. Parents, spectators, and family members must ensure their conduct is proper in every respect and display GOOD SPORTSMANSHIP.
 - ii. Each coach is ultimately responsible for the conduct of their team's spectators. If there is a problem with disruptive spectators, the referee is to warn the coach of the offending spectators. The coach shall then speak to the involved parties to rectify the situation. Should this fail, the spectators may be asked to leave the field, and the coach may receive a yellow or red card. In extreme cases, the referee can suspend the game.
- e. TRAVEL PLAYERS – This is a recreational soccer league. As such, it is expected that each district will form teams in such a manner as to equalize talent across teams. Under normal circumstances, travel players will be evenly distributed among teams in support of this effort.
- f. CLEAN UP - All coaches, players, and parents/guardians are responsible for ensuring all garbage is appropriately disposed of at the end of all games and practices. This includes school and church fields as well as District fields. Please help keep our fields, stands, and parking lot areas clean.
- g. SCHEDULING
 - i. SEASON SCHEDULE – The league plays outdoor soccer. As such, play is separated into fall and spring seasons. The fall season runs from roughly mid-August until mid-October. The spring season runs from roughly the beginning of April until the beginning of June. Each season will have 8 scheduled games.
 - ii. SCHEDULE CHANGES - There will be no changes in a team's scheduled game date, time, or location unless authorized by the Intervillage Soccer Supervisors. All games scheduled at the start of the season should be played as planned except for the following circumstances:
 - 1. In the event of District cancellation due to inclement weather
 - 2. In the event of school or religious activities
 - 3. In the event of District needing to cancel for other reasons
 - 4. It is not acceptable or permitted to request a game reschedule for the following reasons:
 - a. Too few players – Games will be played short-sided or players will be borrowed from the opposing team.
 - b. Coach and/or assistant is unable to make the game – Parent should be recruited to coach.
 - iii. RESCHEDULING OF RAIN OUTS AND SUSPENDED GAMES – The District will attempt to reschedule all games; however, reschedules are not guaranteed. The rescheduled game

will be played at the District that the original game was scheduled. The HOME coach must communicate with their District representative to request a date and time. The HOME coach must then communicate with the away coach to confirm that the date and time work for the away team. Once verified, the HOME coach will then finalize the reschedule with their District representative. All rescheduled games must be scheduled at least one week out so a referee can be secured for the game (unless specifically approved by district personnel), or a forfeit will result.

- iv. GAMES PER WEEK – Teams will play one-two games per week. Games will be played on Saturday mornings and afternoons. In cases of a make-up game or an odd number of teams in a division, it shall be understood that a weeknight may be preferable to complete the schedule. Weeknights will only be used if necessary to complete the game schedule.
- v. FIELD SCHEDULING - The Intervillage Soccer Supervisors will schedule game field usage.
- vi. PRACTICES - No team is permitted to begin practicing before rosters have been officially distributed at the coaches meeting and before the parents have signed the medical release form and code of conduct. Practices may be restricted from specific game fields.

2. SECTION 2: PLAYERS, FIELD, AND EQUIPMENT

- a. PLAYER ATTENDANCE - Players are encouraged to attend all games and practices. If a player cannot partake in a practice or a game, a courtesy call/text should be made to the coach.
- b. PLAYER SHARING – Games will not be rescheduled for teams that will be short players, except in extreme situations outlined in the rescheduling section (1.G.ii) of this manual. If a coach expects that their team may be short players for a scheduled game, the coach may choose from the following options:
 - i. The coach can request that both teams play with fewer players on the field. The opposing coach is not required to comply. However, good sportsmanship guidelines dictate that they should.
 - ii. The coach can ask the opposing team to “loan” players to make up the difference so that both teams can field complete teams. The opposing coach, if they choose to help, would select players to be shared. “Borrowing” coach can provide pinnies or jerseys for “loaned” players.
 - iii. The team that is short players may borrow from a team of the same age level that has played within one hour of the scheduled game.
- c. EQUIPMENT - All players must wear their issued team uniform during the game. Team colors will be listed on the game schedule. In the event of a color conflict (e.g., Both teams wear red jerseys), the home team is responsible for wearing pinnies/vests or alternate colors.
 - i. In cold weather, players will be able to wear sweatshirts, jackets, and/or long pants under their uniforms. Gloves and hats are allowed.

- ii. Shin guards are MANDATORY.
- iii. Footwear - Tennis shoes or soft-cleated soccer shoes are acceptable, but soccer cleats are recommended. No metal spikes, football, or baseball cleats are allowed.

- b. If the referee has not arrived by ten minutes after the scheduled game time, coaches can agree that they will officiate the game. If they do so, they will take the field, and each coach should officiate one-half of the game. The coaches will then be responsible for officiating the game to the best of their ability.

Should an infraction take place that demands showing a red card to a coach-The coach must leave the park promptly upon designating a responsible adult from their team to finish the game.
- g. Physical contact with a referee is not permitted and will not be tolerated. Anyone making contact with a referee will be immediately ejected and suspended from further participation in all Intervillage or District programs pending review of the incident by the district staff. It shall also be noted that physical contact with a referee can be reported to the police department.
- h. Questions and/or comments regarding referees are to be directed to district staff. Should any issues arise concerning the performance of a referee, the following steps should be taken:
 - i. The team coach that has the concern must address that concern to their home district rep.
 - ii. That home district rep communicates that concern in writing using an incident reporting form, which is forwarded to the district that hosted the game during which the incident occurred.
 - iii. The district that hosted the game will take proper steps to investigate the situation and communicate any resulting action to the home district.
