

Soccer Uniform Exchange

Please read carefully!

Kindergarten, 1st and 2nd Grade

Uniforms **are not** explicitly ordered by size request in the spring. To place the order and have them delivered in time to start the season, it is impossible to size every child individually and order that way. Some players switch teams, drop out because of injury or conflicts, realize they are in the wrong division, as well as teams are sometimes not entirely finalized until the very start of the season. We have found with 450+ players in the spring, this is the most efficient way to handle the uniform purchasing, and we have used this method successfully for the last 10+ years.

The coaches receive a set of uniforms that are sized appropriately for the grade they are coaching. For example, Kindergarten is all youth sizes. The Coaches are instructed to hand the uniforms out by lining up the players, smallest to biggest, and give the smallest player the smallest uniform and work up to the biggest player.

If the uniform you receive is way too big or way too small, you are welcome to contact me for an exchange. If you receive a Youth Large but ideally would wear a Youth Medium, I would ask that you try to make it work, tuck the jersey in, roll the shorts over or pull the drawstring tighter. The uniforms are shipped from Kansas, so it's not an immediate exchange if you need a new size. I also incur shipping costs for each order placed, so I have to wait to order multiple swaps at one time. It is not the coach's responsibility to re-order your child's uniform.

To exchange a jersey:

I **cannot** process the exchange without all this information. I will reply that I received your request, and then I will e-mail you when the new jersey or shorts arrive. The new items will be available for pick up from the front desk at the Community Center, and you should drop off the item you are returning when you pick up the new one.

3rd-8th Grade Divisions

Players returning from Fall 2021 wear the same uniform for the spring season. New players for Spring 2022 will receive a new uniform (the size requested on the registration form). Additional items can be purchased if you lost something or grew out of it, but that is at an additional cost. It is not the coach's responsibility to re-order your child's uniform.
