

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

### CAPTAIN RESPONSIBILITIES

- All captains are expected to inform their players concerning all rules and regulations prior to the first game and as many times thereafter to ensure that no violations occur.
- It is the captain's responsibility to make sure that all league fees and rosters are submitted and paid.
- Rosters must be handed in prior to the first game and **WILL** be accepted at the field the first night.
- All captains are expected to inform their players of scheduled games, schedule changes and make-ups. The website will have updated schedule changes.
- Captains are responsible for notifying the Schaumburg Park District of a change of address, phone number, or email address.
- It is the team captain's responsibility to check the score on the **umpire's scorecard** each inning. **The home team will keep the official scorebook.** Teams need to report runs scored to the umpire each inning.
- Team captains are responsible for the conduct of their team members and any team spectators.
- Only team captains are permitted to discuss a disagreement with an umpire and/or file a protest.
- The Schaumburg Park District reserves the right to approve of all team names that are posted on our league webpage.
- Returning teams will be placed in divisions according to how they finished the previous season. Teams that win a league 2 years in a row **MUST** move up a level.

### PLAYER CONDUCT

- All players are expected to respect the rights of the umpires, Park District staff, and spectators. If an umpire or Park District staff member is verbally threatened, physically threatened, or struck by a player, captain, or spectator before, during or after a game, that individual will be **permanently expelled** from participation in any adult league without warning. Further legal action may take place.
- If a player or captain is ejected from a contest for any reason, he/she will be subject to **at least a one game suspension**. Any additional suspension may come from the Athletic Supervisor based on the severity of the incident.
- Any player or captain ejected from a game is required to leave the park **immediately**. If the player continues to interfere with the orderly progression of play, the umpire may forfeit the game in favor of the team not at fault.
- If an ejection is made in the first game of a doubleheader/tripleheader night (this includes playoffs) the player must sit out the following game(s) that night, plus any additional games deemed by the Athletic Supervisor.
- Player ejections are not subject to protest.
- Use of a suspended player knowingly or unknowingly will result in forfeiture of that game and the possibility of other penalties.
- Active participation in any type of disorderly conduct will result in at least a three-game suspension. A second offense will result in a 1-year suspension beginning the day of incident, for the player and possibly the team involved. The Athletic Supervisor has the right to extend either of these punishments.
- Alcoholic beverages are prohibited on park district property. Teams violating this policy are subject to removal from all league play, forfeiting all fees paid, as well as legal prosecution.
- Tailgating and the use of grills or any other type of outdoor cooking device are prohibited at Olympic Park.
- The SPD reserves the right to eject any player or team from the adult softball program without warning or refund at any time in cases of severe circumstances or more than 2 forfeits.
- Warnings or ejections may be given before, during, or after a game.

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

### SCHEDULES/ STANDINGS

- Standings, league information, and schedules will be posted on the park district's Athletics website, [www.teamsideline.com/parkfun](http://www.teamsideline.com/parkfun). Typically, game results will be posted within 24 business hours of being played.
- Schedule changes will be made on the website. Be sure to check the website for changes and updates regularly, as changes may be made due to rainouts.
- The Schaumburg Park District reserves the right to change and/or adapt any softball schedules in any way necessary to operate the leagues.
- In the event of make-up games, rescheduling, rainouts, playoffs, tournaments, and other similar circumstances, the scheduling process will consider the availability of Park District facilities and staff. It is possible that teams may need to play makeup games on different nights, at different times, or at alternative facilities, which may differ from their regular league night. We understand the importance of providing ample notice, and in such cases, more than 7 days' notice will be given to teams to accommodate these changes. Our priority is to ensure a fair and organized experience for all participants.
- No scheduling accommodations will be accepted after schedules are posted for teams that have players competing in two leagues on the same night.

### RAINOUTS/POSTPONED GAMES

- Field conditions will not be determined until 4:00 pm on Monday through Friday games.
- The Weatherline number is **847-490-7870 x 1** and is only updated if games are cancelled.
- **You may also contact Olympic Park Staff for updates at 847-875-0766.**
- If inclement weather occurs after 4:00 pm during the week, and the hotline and website have not been updated, teams should plan on arriving at the fields where the umpire will make the decision.
- During the regular season, if four and one-half innings have not been completed, games will start over when made up.
- Games that are at or past the 4 ½ inning mark (5 innings if home team is losing), will be considered a complete game.
- During the playoffs, games will resume from where they left off.

### EQUIPMENT

- The Schaumburg Park District provides one new game ball, extra used game balls, and umpires for all games. Each team is responsible for supplying all the other equipment.
  - **Balls:** A .52 Cor/300 lb. compression yellow ball will be used for 12".
  - **Bats for 12":** All bats for 12" must meet USA/ASA specifications. All other bats (wood or older bat without certification stamp) must fit the USA/ASA Ring test. *All bats that are to be used in games must have a sticker from the Softball Coordinator on site. Please bring all bats to the softball equipment building near field 5.*
  - **Caution:** USA/ASA evaluates bats throughout the season; there is a possibility that a bat may be legal at the beginning of the season and then banned or recalled for adjustment by mid-season. Bat lists are posted on the USA/ASA website, [www.usasoftball.com](http://www.usasoftball.com). As soon as the bat is deemed illegal by USA/ASA, it will then be illegal to use in our league.
  - **Bats for 16":** Official Softball Bats only, must pass the USA/ASA Ring test. Aluminum or Wood bats must have a grip on the handle. No oversized bats.
  - **Gloves:** Used for 12" and 14" only.
  - **Official scorebook/rule book:** Each team will be provided with a new scorebook each season.
- **NOTE:** No metal spikes or metal cleats allowed.

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

### PITCHING RUBBER/BASE DISTANCES

- 12" and 14" Hardball will use a 50' pitching rubber and 70' bases (USA/ASA).
- 16" and 14" Mushball will use a 38' pitching rubber and 60' bases (USA/ASA).

### THE GAME

- USA/ASA Rules will apply unless otherwise stated.
- A game shall consist of 7 innings except for the slaughter rule, or a game called by the umpire. Any game called by an umpire due to weather shall be regulation if five or more complete innings (4½ if the home team is ahead) have been played. See Rainouts/Postponed Games for further details.
- Game time is forfeit time. The umpire's watch will serve as the official game clock.
- **Slaughter Rule:** 15 runs after 4 innings (new); 12 runs after 5 innings; 10 runs after 6 innings.
- Batters start with a 1 and 1 count.
- There is no stealing in 12" and 14" Hardball Leagues.
- Teams may start with 8 players, but may not play with fewer, even in cases of injuries or ejection; this will result in a forfeit. **Teams must declare before the game how many they are batting.**
- **Note:** Teams starting with 12, 11, or 10 players may play with as few as 8 players due to injury/ejection. An automatic out will be recorded each time that player's turn at bat comes.
- Teams beginning the game with fewer than 10 players may add up to 10 once their subs arrive.
- **A 6' - 12' pitching arc will be enforced in all leagues.**
- The batter's box is open. It is the umpire's discretion on where the batter may start. However, the umpire will tell the batter to move up if he deems it hazardous to catcher or umpire.
- There will be a double-first base used on each diamond. A batted ball hitting the orange portion is declared foul. Whenever a play is made on the batter-runner, the defense must use the white portion without interference (umpire's discretion) and the batter-runner must touch the orange base.
- Use of the **extra player(s)** (EP) is optional. Teams may bat up to 12 players in Men's leagues. If used, the captain must notify the umpire and the opposing team prior to the start of the game and must be used for the entire game. In the event a team elects to bat 11 or 12 players and then loses that player due to injury or any other circumstance and cannot replace them, the 11<sup>th</sup> or 12<sup>th</sup> position will be ruled an out. Extra players in the batting order may substitute freely on defense. Co-Ed teams should see additional Co-Ed rules.
- Starting players may be subbed out and re-entered once, provided players occupy the same batting positions whenever in the line-up. Players who began the game as a sub may not re-enter the game once withdrawn. The starting player and substitute player may never be in the game simultaneously. This rule applies for men's leagues. Co-Ed, please see additional rules section.
- 12" and 14" games are limited to **one hour**. No new inning may start after 60 minutes of play unless the game is tied. At the end of the current inning, the game is over. If a game is tied after seven innings or 60 minutes of play, a 3-2 count will be used, and the offensive team will start with their last batted out on second base until a winner is decided regardless of time limit. Note: Once the top half of the inning has started the bottom half must be completed, if necessary, regardless of past the hour time limit. Women will not receive a second foul ball after the hour time limit. Regular house rules apply for all playoff games, except the time limit. **Championship games will have no time limit.**
- Any player with an open wound will be required to cover it so no other players are at risk of contact. A player will not be allowed to continue playing with an exposed, open wound until it has been covered properly as determined by the umpire. First aid supplies are available at Olympic Park. If players require first aid assistance, the field supervisor is required to fill out an incident report. Players will be asked a few basic questions, i.e., phone number/address and summary of what occurred.

# **SCHAUMBURG PARK DISTRICT**

## **ADULT SOFTBALL RULES (updated 4/30/25)**

### **HOME RUN RULE – 12” & 14” HARDBALL**

- The home run rule is 3 and 1 up.
- Once a team hits its third home run over the fence, they cannot hit their fourth until the opposing team has hit 3 home runs. The result is an out.

### **GROUND RULE DOUBLE**

- A ground rule double will be assessed when a batted fair ball rolls beyond or bounces over the outfield fence or when a batted fair ball rolls into dead ball territory past the right and left field line out of play fences.
- A home run shall only be awarded if the ball completely clears the fence.

### **RETRIEVING BALLS**

- Any batted balls that leave the field of play (i.e., home run balls or foul balls) should be retrieved.
- It is the responsibility of the team who hit the ball to retrieve it.
  - Exception: If the ball is hit to an area that is irretrievable (i.e., into the skate park, or behind the home run fence of Field 3), then the ball needs not be retrieved).

### **COURTESY RUNNERS**

- Teams may designate a maximum of 2 players that require a courtesy runner.
- They must be established at Ground Rules with the umpire and the opposing team captain.
- The courtesy runner must be the last batted out in the order.
- If there is not a last batted out that inning, it will be the last batted out of the previous inning.
- If the last batted out is another player that needs a courtesy runner, go to the next batted out.
- **\*12-Inch & 14-Inch Hardball ONLY\***
  - Those designated to have a runner can only walk, home run, hit a single, or make an out.
  - The courtesy runner may only move one base at a time.
  - If a player is injured during the game, they can be added to the list at the time of the injury.
  - Even if a player hits a ground rule double in a courtesy runner situation, it will be ruled as a single per the courtesy runner rule.
  - The only situation a courtesy runner will get more than one base is if the defensive team causes a ball to go out of play. Courtesy runners will be awarded the extra base for the ball going out of play.
- **\*16-inch & 14-inch Mushball ONLY\***
  - Courtesy runners may advance the bases as a normal runner.

### **16” ADDITIONAL RULES**

- No strike mats will be used.
- “A” league teams may only roster a MAXIMUM of two “Major” players.
- Leadoffs are permitted. There is no stealing home.
- Stealing is only allowed when the pitcher or catcher plays on the runner AND the bases in front of that runner are unoccupied.
- A “play” on the runner is defined as a **throw** towards the base the runner currently occupies.
- The pitcher may play on the runner once in an at-bat. If the pitcher plays on the runner a second time, it will be declared a ball on the batter.
- Drag steps are permitted, one step in each direction from the pitching rubber.

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

### ADDITIONAL CO-ED RULES

- Teams must always field 5 males and 5 females. See exceptions below.
  - If a team starts with 5 females and 4 males, the 10th batter will **NOT** get an automatic out.
  - If a team starts with 5 males and 4 females, the 10th batter **WILL** get an automatic out.
  - Teams may play with more females than males, **example: 6 females, 4 males.**
- **Batting lineups must alternate by gender.**
  - EXCEPTION: If there are more female players than male players on a team, then the extra female may be inserted at the bottom of the order, so there may be consecutive females at the bottom of the batting order.
- **12" Co-Ed only:** All defensive positions **do not** need to alternate between gender.
- **14" Co-Ed only:** All defensive positions **must** alternate between gender.
  - EXCEPTION: If a team has at least 2 more females than males in the field (i.e., 6 females and 4 males, or 5 females and 3 males, then 2 females are allowed to be next to each other, but there can never be 2 males next to each other in the Infield or Outfield.
- **12" & 14" Co-Ed:** The pitcher and catcher must consist of a male/female combination. No exceptions.
- There must be 4 outfielders with 10 players on the field.
- Females are allowed one extra foul ball on a second strike.
- Any "walk" (base on balls) to a male will result in the following female also being awarded a base on balls. Females will have a choice to walk or to hit. **The male player will be awarded second base regardless of the female's decision to walk or hit.**
- Courtesy runners are allowed within the same gender. (See "courtesy runner" in above section.)
- A team may bat all rostered players (up to 20), but only field 10. Batting lineup rules apply as above: alternate by gender.
  - Example: If there are 7 males and 6 females, an automatic out will occur in the 14th batter spot. There is a maximum of **10 males and 10 females** in the batting order that must alternate by gender. Teams may **never** have 2 males bat in succession without an out; **however, you may bat females back-to-back.**
- Two players may hold the same spot in the batting order if they alternate each time up to bat. These players may rotate freely on defense.
- During all at-bats, outfielders **must** play in the outfield grass. Once the ball is hit into play, the outfielders may enter the infield.

### POST GAME PROTOCOL

- The home team is allowed to retain possession of the ball, except for the first four weeks of the season. During this initial period, the game ball must be returned to the umpire.
- It is crucial for the winning team's captain or team representative to sign the scorecard at the conclusion of the game. Failure to do so may lead to a forfeit.
- We have noticed discrepancies in the standings due to captains not accurately reading scores before signing the card. We request that you review the score to ensure its accuracy before signing it.

### FIELD SUPERVISORS

- During league play, a SPD staff member will be present and stationed near the concession stand.
- They are available to field questions, first aid support, and address any issues that may arise.
- If you require help or need to report a problem, please don't hesitate to approach them.
- While the supervisors will make every effort to assist you, for any softball-related inquiries that they cannot address, please direct your questions to Kevin O'Donnell at [keodonnell@parkfun.com](mailto:keodonnell@parkfun.com).

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

### **ROSTER CHECKS**

- A copy of each team's roster is on file at the fields.
- Should a team request a roster check during a game, the game will stop and photo identification of all players on **both** squads will be checked.
- Any players unable to produce photo identification at that time shall be declared an illegal player. If a player is found to be ineligible, that player will be ejected from the game, and all normal ejection rules apply.
- Players **MUST** bring a photo ID to the field each game.
- The time taken for the roster check will count toward the one-hour time limit for the game.
- Rosters must be turned in prior to your first game, no exceptions.
- They may be handed in at the field the first night. All players must sign the roster form.
- The Athletic Supervisor will not take any roster changes after the 4<sup>th</sup> game of the season is complete but may accept changes due to injuries or employees on a corporate team that have left the corporation.
- **All roster checks must be called prior to the leadoff hitter coming up to bat a second time. Captains are expected to have a copy of their own team roster at each game.**
- Roster Checks can only be called by the captains of the two teams playing.
- Teams are allowed to roster a maximum of 3 players from leagues higher than the league they play in.
  - Example: "B" League teams can have 3 "A" League players on their roster.
  - However, this does not mean that a "C" League team can roster 3 "A" League players AND 3 "B" League players. They may have 3 total players from any league higher than theirs.
  - Furthermore, there is no limit to the number of players a team can roster from a league lower than theirs (ex: "B" teams can roster as many "C" players as they wish).

### **PROTESTS**

- All protests must be submitted **in writing** to the Schaumburg Park District (Attn: Kevin O'Donnell) at Olympic Park 3:00pm the following day. Contact Kevin at 847-789-6457 to set a meeting time.
- Protests are often relayed to USA/ASA officials for clarification before judgment is made.
- Protest sheets will be made available at the fields. **A captain from each team, umpire, and field supervisor must sign these sheets at the field at the time of the protest. From the point of the protest, the exact game situation must be written down by a field supervisor before the game can resume.**
- Protests cannot be made over the phone or via e-mail.
- A \$35.00 fee must accompany all protests. If the protest is found to be valid, the fee will be returned. If the protest is not valid, the fee will not be returned.
- A team's intent to protest must be stated to the umpire before the game can continue.
- Park District staff must document the exact game situation. The opposing team should document the situation as well.
- The only protests that will be considered are those which involve misinterpretation of a playing rule, failure of the umpire to apply the correct rule to a situation, or failure of the umpire to apply the correct penalty for a violation. Protests **will not** be accepted for decisions involving accuracy of judgment on the part of the umpire.

# **SCHAUMBURG PARK DISTRICT**

## **ADULT SOFTBALL RULES (updated 4/30/25)**

### **FORFEITS**

- Game time is forfeit time. The umpire's watch will serve as the official game clock.
- Should a team not have enough players at game time; the game will start with the team that is short players being declared the away team and batting first. Once a spot in the order comes up that can't be filled due to not having enough players, that spot in the lineup will count as an automatic out.
- For Co-Ed leagues, all batting order rules still apply. The lineup must alternate males and females, so if there are fewer females than males present, then each spot in the lineup that should be occupied by a female will be an automatic out.
- A team with more than two forfeits may be removed from the league with no refund and will lose their returning team status the following year.
- Any team that forfeits more than one game in the season **MUST** pay a \$35.00 forfeit fee to the Schaumburg Park District prior to their next game. Failure to do so will result in another forfeit.
- Any team that no-shows a game and does not give at least 4 hours' notice to the Athletic Supervisor via email, will also be subject to the \$35.00 fee, even if it is their first forfeit of the season.
- Teams that post a forfeit will receive a 7-0 loss.

### **TIE BREAKING PROCEDURE**

- If two or more teams have equal records at the conclusion of the regular season, the tie breaking procedure will be as follows:
  - **Any team who has a forfeit during the season automatically loses all tiebreakers.**
  - 2 team tie
    - A two-team tie will be broken by the results of head-to-head match ups between the teams in question. If for some reason these two teams played each other twice with split decisions, the tie will be broken by the run differential versus the two tied teams.
    - If the teams are still tied, run differential throughout the season will be used. We will take the number of runs scored minus the number of runs given up determining this number (Max 10 run advantage per game). The team with the higher number will win.
    - A 1-game playoff will be played to determine the winner if time permits. The decision to play a 1-game playoff will be decided by the Athletic Supervisor.
    - If the top two teams are tied at the end of the season and have not played each other, a 1-game playoff will be scheduled before the playoffs begin to determine the winner.
    - All other ties for playoff teams that have not played each other will be broken by run differential throughout the whole season.
    - **Example:** Team 2 played Team 1 twice. Team 2 was victorious in the first contest 24-10 while Team 1 won the second contest 31-4. Team 1 would win the tie due to more runs scored in the differential.
  - 3 or more team's tie
    - If 3 or more teams are tied at the season's end, the teams in question will be placed together in a pool where the teams' head-to-head results will be checked.
    - If the 3 or more tied teams do not all play each other at least once, the best team will be determined by overall run differential throughout the entire season. Teams must also play each other and even number of times. Once the best team is determined after the run differential, the next spot will be determined head-to-head if possible.
- 1) The teams will be ranked based on their records in H2H play among the pool of teams. This step will always supersede any of the steps listed below, which will only be used to break any ties that remain after Step 1 is applied.

# SCHAUMBURG PARK DISTRICT

## ADULT SOFTBALL RULES (updated 4/30/25)

A) If after Step 1, SOME teams are still tied in pool play, then the tie between only those tied teams will be broken as follows:

- 1) H2H records against only the teams that are still tied.
- 2) H2H Run Differential among the teams that are still tied (Max 10 run advantage per game).
- 3) Overall Run Differential against all teams in the league (Max 10 run advantage per game).

B) If after Step 1, ALL teams are tied in pool play, then proceed to step 2 to determine the BEST team:

- 2) H2H Run Differential within the pool of tied teams (Max 10 run advantage per game).
- 3) Overall Run Differential against all teams in the league (Max 10 run advantage per game).
- 4) Overall Lowest Runs Allowed.
- 5) Once the best team is determined by either Step 2 or 3, the next spot will be determined again by head-to-head record among those teams that still remain. If these two teams are still tied, then H2H run differential will be taken, followed by Overall Run Differential.

**Example #1:** Team 1, Team 2, and Team 3 are all tied at end of season. Team 1 beat team 2 and 3 in regular season play. Team 1 has a record of 2-0 within the pool of tied teams. Team 1 wins the tie breaker.

**Example #2:** Team 1, Team 2 and Team 3 are all tied at end of season. Team 1, Team 2 and Team 3 are all 1-1 vs. each other in pool play. Run differentials are as follows:

### **Team 1**

Beat team 2: 8-4  
Lost to team 3: 12-1  
Total run diff.

---

$$4 - 11 = -7$$

### **Team 2**

Lost to team 1: 8-4  
Beat team 3: 9-1  
Total run diff.

---

$$-4 + 8 = +4$$

### **Team 3**

Beat team 1: 12-1  
Lost to team 2: 9-1  
Total run diff.

---

$$11 - 8 = +3$$

**Results:** Team 2 wins the tie with a total score of + 4 and Team 3 gets 2<sup>nd</sup> due the win over Team 1.

# **SCHAUMBURG PARK DISTRICT ADULT SOFTBALL RULES (updated 4/30/25)**

## **PLAYOFFS & AWARDS**

- Formats are subject to change at the discretion of the Manager of Athletics.
- The number of playoff teams is determined by the total number of teams per league/division.
- Teams will be seeded according to where they finished in the final league standings.
- The home team will be the higher seeded team.
- Game times are subject to change.
- All Leagues:
  - 1) Single elimination playoff.
  - 2) Prize money awarded to the 1<sup>st</sup> & 2<sup>nd</sup> Place teams of the regular season, as well as the playoff champion.
- When monetary awards are given, teams will not share award money (i.e., if two teams tie for 1<sup>st</sup>, then the tiebreaker will determine who receives the 1<sup>st</sup> place award money.
- Monetary awards will be mailed to the captain's address provided at registration.
- Monetary awards cannot be mailed out until **all** softball leagues have ended.
- Checks generally go out one month after all leagues have ended.
- Award money may NOT be rolled over to use on registration fees for a future season of softball.

**Thank you for participating in the Schaumburg Park District Adult Softball League!**
