The Treasurer's Report was read and approved. Bill said the CDs coming up for renewal will be staggered to easily access money when needed. He also contacted Jim Rodandi about insurance for the club.

Tournament update: Pat has reported there are 14 teams so far. He will contact Lucas, the new field director, about field confirmation due to Griffin and Bechet turf being scheduled for removal and replacement. The tournament balls have arrived and are being stored at Deb's house. We are in discussion on tournament prizes. Bill is again in charge of the porta potties.

Night League: On March 31 the lights did not come on. Holly of the San Carlos Rec was contacted but could not get them to come on. We will be refunded for that night.

The Spring FLing is set for June 2, not pizza that day and night. Invites will go out on Saturday, April 4.

Round Table discussion:

There was an incident on March 31 at dayplay. A motorized bike, with a teenager driving, went through the infield while we were on the field. He left, we called the police and Recreation dept just to report him.

We were asked to remove anything we own from the snack shack this week. There are plans to change it.

The meeting was adjourned at 7:37 p.m.
