Thank you for registering with the Prosser Jr Mustangs Youth Football team.

Below are some helpful tips for what documents are required and accepted for registration. Making sure registration is completed correctly the first time will help everything move a lot smoother.

- Please make sure all documents uploaded are visible. If the upload is too blurry or it is unable to be opened you will be contacted to provide an appropriate document. This can interfere with your child's registration and the team's roster.
- All edits needing to be made after registration is closed must be made manually by the team secretary (this is 1 person attempting to locate errors, contact parents and adjust edits for the entire team). This can take a great deal of time with the number of participants we have. **PLEASE** reach out if you need help or have questions. We will attempt to do checks as registration comes in to avoid issues at the final registration check done by CBYF.
- Please reach out if you are unsure if your registration went through, we can check on our end, **it will not show your player on our roster if you do not complete registration.** For email assistance please email info@juniormustangs.org for the subject line list your child's first and last name and registration **Ex. John Smith Registration**. Having the player's name in the subject line will help keep everything organized with the amount of email coming in.

Website to register: www.juniormustangs.org
Please use the email for registration questions.
Acceptable Birth Certificate:
There are only 2 accepted items:

- State issued birth certificate (hospital birth certificate **WILL NOT WORK)**
- Current NOT expired passport

Anything besides these 2 items that are uploaded for registration will not work.
Acceptable address verification:

- Snip of skyward that includes the students name and address

OR

- Utility bill- **MUST BE A UTILITY BILL-** Store credit cards or anything of that nature will not work. Examples of utility bills are: Power bill, gas bill, water bill. It must be a current bill, either the last month's bill, or the current month's bill.
- **NO P.O.BOX!** Even if you cannot get mail at your address and use a P.O. Box, we have to have proof of your physical address to prove that you live within the Prosser boundaries.

Acceptable grade verification:
There are a few different documents that can prove grade verification, below are a few we have seen. The only requirement for the grade verification is that it MUST **INCLUDE: FULL NAME, CURRENT GRADE, A DATE (This can be dates of terms, or a visible academic school year).**

- Using skyward: There is a tab labeled "academic history", this page will show all 3 needed items, but *you must snip the entire page*. The top of the page shows the full name, whereas the lower part only shows a first name. **PLEASE** if using the page, make sure to include the

full name at the top of the page (if you have multiple children, you need to select a child from the drop-down menu for it to display their full name.
- Grade print out: Most grade print outs will show all the needed information (name, grade, date). Please double check that it shows all 3 before uploading.
- Not everyone's school uses skyward, so anything showing the 3 required items is acceptable.

Acceptable photo:

- Must be a photo of just the player
- No hats or filters can be worn/used in the photo
- School photos work best, you can snip your players photo off skyward and use that, it works best.
