

West Diablo CYO

Rules of Note

1. All Play Rule: All healthy, uniformed players must play the minimum of a full continuous *playing period* during the first half (5 minutes). Each player entering the game for the first time must enter at the beginning of the *playing period* and play the full *playing period*. The only exception will be due to injury or disqualification. To define *playing period*, the first quarter of a game will be divided in half for a total of *two playing periods*.

(NOTE: If officials deem it necessary, to accommodate the total number of players on a team, the second quarter may also be divided in half. However, if all players on both teams have played one complete playing period in the first quarter, the second quarter will be administered as a 10-minute running quarter.)

The team in possession of the ball shall retain it at the beginning of the subsequent playing period with a throw-in at the spot nearest the point of last possession. The alternation possession procedure shall be used to begin the 2nd, 3rd, and 4th **quarters**. When there is no possession of the ball (a pass is possession, a missed shot is NO possession) at the end of a playing period, then rule the defense is in possession.

All players on the team must be placed on the official score sheet before the start of the game. If a player is sick or injured, he must still be listed with the appropriate notation. Any player arriving to a game after the beginning of the last playing period in the first half, must play continuous time during the game equal to a playing period.

There will be a technical foul issued for each violation.

In addition, coaches are instructed that each child shall play the minimum time equal to the time of one quarter. Repeated violations shall be a breach of sportsmanship.

2. Time Periods:

- 2nd-3rd All Levels Four (4), 10-minute running quarters. **Stopped clock final one (1) minute of the game & the final one (1) minute of the first & second overtime periods.**
- 4th-8th All Levels Four (4), 10-minute running quarters. **Stopped clock final one minute of the first half & the final two (2) minutes of the game & the entirety of the first & second overtime periods.**

Note:

1. To accommodate the All-Play Rule, **the first quarter of each game is divided into two, five (5)-minute, running clock time periods.**

*If all players have played their minimum required time by the end of the first quarter, the second quarter shall be a 10-minute running clock, as determined by the game officials.

2. The running clock does NOT stop on substitutions or fouls. It does stop if a player is injured, or if a coach/player is granted a timeout. Additionally, the running clock does not stop to address a masking issue.

Regulations

Section 1 – Rules and Regulations

1. All rosters and supporting materials must be submitted to the President by a designated date established by the Board. Any team who has not submitted a roster shall forfeit all games until the roster is submitted. Any player who has not had appropriate documentation regarding proof of age submitted shall be ineligible and shall cause the forfeit of all games that he/she played until the documentation is submitted.
2. Players may be added to the roster up to the last day before the first league game as per diocesan CYO bylaws. The President or eligibility chairperson shall be notified before that day of additions, or that player shall not be eligible.

Classification of Divisions

Section 1 – Classification of Divisions

The “a” division will be known as the American Division. The “b” division will be known as the National Division. The assignment of teams to American or National Divisions shall be by the league board of directors. Generally, the first team entered in a grade by a parish shall be an American Division team unless assigned by the league board of directors to the National League. Parishes must petition the league to not play at the American level. The league will review the success of the team at the level they are playing to determine if they need to play American or National. The board, however, also takes into consideration the number of teams in each league. The board has the final decision in determining the level of play that the parish needs to participate in.

Forfeits

Section 19 – Forfeits

1. Game time is forfeit time and is recorded as a loss.
2. Regardless of the forfeit, the Coach or team Representative must still arrive to the game, on-time, to pay the referees the game fee.
3. Teams could also be assessed a \$75 fine.

Protests

Section 1 – Protests

1. All protests must be filed in writing, in triplicate, and sent to the league president within three days after the protest occurred.
2. Protests must concern a point of rule or the eligibility of a player. In matters of judgment, a referee’s decision is final.
3. Protests must be made to the referee at the time of the alleged infraction(s) or protest will not be considered, except in the case of a player’s eligibility. Protesting coach must enter in writing on the back of the score sheet: 1. Protest, 2. Score, 3. Quarter and the time of the alleged infraction, 4. Team and personal fouls, time outs remaining. No more than the word “Protest” shall be put down on the back of

West Diablo CYO

the sheet at that time so the game can continue immediately. At the end of the game comments of rule may be put down, if so desired.

4. Written protest must contain the date, time, league, teams, place of games, and the rule and section violated must be cited, protest must be signed by athletic director and coach.
5. Each individual protest must be accompanied by a protest fee of \$25.00 which is refundable only if the protest is upheld.
6. A team voluntarily not finishing a game forfeits the game and cannot protest the incident which caused them to not finish.
7. Videotapes are not allowed as evidence in a protest procedure.
8. Failure to comply with the protest procedures in this section will automatically cause the protest to be invalid.

Player Eligibility

West Diablo abides by the Oakland Diocese player eligibility rules. Priority (i.e., the first priority) on participation is for those children attending the parish parochial school, followed by Faith Formation (two consecutive years minimum), followed by residency in parish boundaries. Exceptions to this can only be granted by Diocesan CYO Office which may grant permission individually for participation of a Catholic child from a parish too small to host a CYO program. Starting in 2012, West Diablo has been forming a 2nd grade division for those parishes that wish to provide a team. If each year, we do not have enough teams to form a division, 2nd grade teams will play at the 3rd grade level. We do not currently allow 2nd grade players to transfer parishes if their parish does not have a second-grade team.

Equipment and Uniforms

Section 1 – Equipment and Uniforms

1. All equipment purchased for the league shall be kept by an assigned parish
2. Any parish admitted to the league shall clear the selection of the team colors with the Board of Directors
3. Parish team colors shall be assigned by the league Board of Directors.

Game Procedures

Section 1 – Game Procedures

1. Game time is forfeit time. A fee of \$75 could be charged to the forfeiting team. The forfeit fee will be paid within 30 days, or each game played during that time will be forfeited with a \$25 fine until all fines are paid. Additionally, the game fee owed to the referee must be paid at the game time, regardless of the team forfeiting (i.e., Coach or Team Representative of the team needs to show up on time to pay the official.
2. Five or more players from each team must be present to start the game.

West Diablo CYO

3. Games may not be postponed by coaches. The penalty for such action will be forfeiture.
4. Under no circumstances will a coach call the League Scheduler for any changes. League game changes will only occur when the league is responsible for the scheduling problem, such as, gym closures, scheduling errors, or when there is a conflict with a parish schools' event.
5. Shirts worn under the uniform shirt must match the primary color of the uniform shirt. Any team not having regular uniform tops must appear in numbered tee-shirts.
6. No press – Player and ball must be allowed to cross half court before being guarded by a member of the opposing team.

Game Officials

Section 1 – Game Officials

1. The league is utilizing ref-ology® training and assigning organization who will collaborate with the league to assign two referees for each game. If one referee fails to appear by game time, the game will be officially played with only one official and will be considered an official league game. If neither official is present, the game will be rescheduled.
2. For anyone interested in officiating, please have them register on www.ref-ology.com and they will be contacted to get them the information needed to join to program.

Regular Season Tie Breakers

1. The first determination is the regular season head-to-head competition. The second, in the event the teams split their regular season competition, and have no other losses, then a play-off game will be played to determine who will be seeded number one in the league tournament.
2. For second through fourth, the following formula will be used: If the teams have split their head-to-head competition, then a comparison of how each team has done against the teams(s) that have finished ahead of them during the league season one by one from the first-place team downward until the tie is broken. If this fails, then a comparison of records versus the teams that finished below them will be reviewed. If teams are still tied, a coin flip will determine the place of the teams. Within 3rd grade, a coin flip will occur also for 1st place team determination if needed.
