YOUTH SOCCER

Coaches Background Screening:

All coaches and co-head-coaches are required to pass a background check (no cost to the coach) before they will be allowed to coach. Information regarding background screening is available at republicmo.com. Background checks are good for two years at which point a new submission will be required.

Practice:

Practice fields are provided with team registration. Teams may sign up for a practice time and location beginning Monday, July 22, 2024. Teams may begin practicing as early as Monday, August 5th, 2024. Practice for U4-U12 will be held at Miller Park. Practices for Middle school will be held at the lower field at the Middle school.

Coaches Meeting:

All coaches' meetings will be held on **August 19, 2024**; U6 – Middle School divisions will be held at 6:00 p.m. at the Republic Community Center; U4 - U5 divisions will be held at 7:15pm at the Republic Community Center. Streaming options will be available for both meetings. Links to view a recording of the meeting will be posted online, in the days following the meeting.

Game Days:

Games will be scheduled on Mondays, Tuesdays, Wednesdays, and Thursdays. Make up games may be scheduled on Saturdays. Coaches may indicate schedule requests when registering. Requests are accommodated to the best of our ability but are not guaranteed.

Schedules:

Schedules can be reviewed during the coaches meeting and will be released online the following day. U7 and older divisions will receive a schedule for the first half of the season. Results from the first half will be used to help provide appropriate competition levels for the second half schedule that will be released throughout the week of September 9th for middle school and September 16th for U7-U12.

Tournament:

Our **3v3 tournament** will be held October 24 & 26, for 9U – Middle School Divisions. Online registration will be available, starting September 16th. Teams must register by October 16th.

Fee Structure for U4-U6:

Individuals who "Need a Team" for participation, will pay a pre-set fee (between \$30-\$35 depending on division), as opposed to a portion of a team-fee. This will eliminate the need to pay your portion of a team-fee to a coach whom you just met. This individual fee does not include additional expenses such as uniforms, equipment, etc. Coaches will determine the route their team chooses to procure uniforms. We cannot guarantee team placement but strive to place all registrants! Individuals who are not able to be placed on a team, will receive a full refund.

Individuals who already have a pre-determined team will pay their coach, as part of a team fee. They are not required to make a payment to Republic Parks & Rec at the time of registration but will instead pay their coach. Team Fees are divided among the participants of that pre-determined team. Coaches will collect the team registration fee (see table provided on cover page) and any additional expenses such as uniforms.

YOUTH SOCCER

Rules of Play:

Republic Parks & Recreation Soccer League is an instructional program designed to help encourage youth to participate in sports activity and enjoyment.

I. Equipment

- a. Teams must wear matching colors with jerseys displayed outside or over any jackets. Team colors must differentiate from the opposing team. In the event teams have similar colored jerseys and neither team has an alternate jersey, colored pennies will be provided for the away team. All goalkeepers shall wear colors that distinguish him/her from the other players and from the referee.
- b. Shoes, shin guards, and tall socks covering the shin guards are required for all players.
- c. Earrings, bracelets, watches, all jewelry, and hoods are prohibited and shall not be worn during play.

II. Kick-off Procedure

- a. The team that wins the toss of a coin decides which goal to attack in the first half or to take the kick-off. Depending on their choice, the opposing team will in turn take the kick-off or decide which goal to attack.
- b. For the second half, the teams change ends and attack the opposite goals. Whichever team did not kick-off to start the game will kick-off to start the second half.
- c. After a team scores a goal, the kick-off is taken by their opponents.
- d. For every kick-off:
 - All players, except the player taking the kick-off, must be in their own half of the field of play.
 - The opponents of the team taking the kick-off must be on the opposite side of the field and outside the center circle.
 - The ball must be stationary on the center mark.
 - The ball is in play when it is kicked and clearly moves.
 - The player taking the kick-off may not touch the ball a second time until it is touched by another player on either team. In the event of a double touch in U7 and younger divisions, a warning will be issued and the same team may retake the kick-off one time. In U9 and older divisions the kick-off will be awarded to the opposing team.
 - A goal may be scored directly from the kick-off.

III. Substitutions

- a. For U6 and younger divisions, substitutions are unlimited and may be made on the fly at any time during the duration of the game.
- b. For U7 and older divisions, substitutions are unlimited and can be made at any stoppage of play with permission of the referee. The desired substitute must be at the centerline ready to enter at the time of the stoppage or the referee may not allow the substitution to take place except in the case of injury.
- c. The referee has the authority to not allow a substitution if he/she believes that allowing the substitution will adversely impact the flow of the game or is being used as a tactical time-wasting ploy.

IV. Goalkeepers

- a. The goalkeeper may touch the ball with their hands inside the penalty box.
- b. Attacking players should not kick or attempt to kick the ball when the keeper has possession. One hand touching the ball constitutes possession by the keeper. This includes when a keeper has a hand on the ball on the ground.
- c. Goalkeepers have 6 seconds to release the ball after completion of a save. In U10 and younger divisions, the ball should be released from the hands. Drop kicks are not permitted in U10 and younger divisions. In U11/12 and older divisions goalkeepers may release the ball from their hands or a drop kick.
- d. Goalies may not use their hands when receiving the ball directly from a throw-in taken by a teammate or when intentionally passed by a teammate.

V. Restarts

- a. In U7 and older divisions, teams will switch sides at half-time.
- b. The ball is out of play when it has wholly crossed a goal line or touchline whether on the ground or in the air. The ball is in play at all other times until the referee sounds the whistle.
- c. In U5 and younger divisions to maintain the flow of the game and maximize play time, the referee will block the ball from leaving the field of play when possible and when necessary, restart play by gently rolling the ball back onto the field of play.
- d. In the U6 division a kick-in is awarded when the whole of the ball passes over the touchline. The ball should be placed on the touchline. The player must have both feet outside the field of play when taking the kick-in.
- e. In U7 and older divisions a throw-in is awarded when the whole of the ball passes over the touchline. To complete a proper throw in, a player must have both feet on the ground outside the field of play and have both hands on the ball to deliver from behind and over their head. In the U7 - U10 divisions, an improper throw-in will receive direction from the referee and one re-throw. In U11 and older divisions, an improper throw and after a second attempt in the U7 - U10 divisions, an improper throw will result in a turnover to the opposing team.
- f. A goal kick is awarded to the defending team when the ball passes over the goal line and was last touched by an attacking player. When taking a goal kick, the ball must be stationary and kicked from any point within the goal area by a player of the defending team. Opponents must be outside the penalty area until the ball is kicked. The kicker may not touch the ball again until it has been touched by another player. In the U8 and younger divisions, a double touch will result in an explanation from the referee and a re-kick. In U9 and older divisions, a double touch will result in an indirect free kick to the opposing team.
 - Regarding Goal Kicks The ball is in play once the defending player kicks the ball. The ball does not have to leave the penalty box before anyone can touch the ball like in previous years. Ex: The keeper can make a pass to a teammate in the penalty box on a goal kick.

YOUTH SOCCER

- g. A corner kick is awarded to the attacking team when the ball passes over the goal line and was last touched by a defending player. The ball must be placed in the corner arc and kicked by an attacking player. Opponents must remain 10 yards from the corner arc until the ball is kicked. The kicker may not touch the ball again until it has been touched by another player. A double touch will result in an indirect free kick to the opposing team.
- h. For any other stoppage outside of normal gameplay, fouls, or misconduct, a dropped-ball will be used to restart play.

- b. A player is in an offside position if:

- c. A player is not in an offside position if level with the second-last opponent.

In U9 and older divisions Direct, Indirect, and Penalty Kicks will be awarded. - b. An indirect free kick must touch another player (offensive or defensive) before a goal can be scored. An indirect free kick is awarded if a player:
 - plays in a dangerous manner

- The kicker must play the ball forward and may not play the ball a second time until it has touched another player (offensive or defensive).
- e. At the referee's discretion, play will not stop when doing so would cause the offended team to lose a clear advantage or goal scoring opportunity.
