Equipment Requirements:

Batters, baserunners, and on deck batters must wear protective helmets. It is recommended that all players within the player-pitch leagues (9U – 14U) use a batting helmet that has a facemask or a C-flap. Any player behind Homeplate (the catcher) must wear a minimum of helmet and mask, during gameplay. Shoes with metal cleats or spikes are not permitted by any player. Exterior jewelry is not permitted on players.

Game Schedules:

Schedules can be reviewed during the coaches meeting and will be released online the following day. Online schedules can be found at teamsideline.com/republicmo. 6U and older divisions will receive a schedule for the first half of the season. Results from the first half will be used to help provide appropriate competition levels for the second half schedule that will be released throughout the weeks of June 3rd and June 10th. Any game reschedule may be rescheduled to an upcoming Saturday morning. Teams will play a total of 8 games.

Practice:

Teams are welcome to utilize Republic Parks & Recreation facilities or any additional facilities. Teams may sign up for a practice time beginning Monday, March 25th. Practices will begin the week of April 1st. Teams can keep their practice time until the season starts; once season has begun the practice availability will depend on the availability of the ballfields. Wednesdays and Weekends will act as primary practice dates, during the season, but still have limited field availability.

New Fee Structure for 4U-6U:

Individuals who "Need a Team" for participation, will pay a pre-set fee (\$35.00 resident / \$40.00 non-resident), as opposed to a portion of a team-fee. This will eliminate the need to pay your portion of a team-fee to a coach whom you just met. This individual fee does not include additional expenses such as uniforms, equipment, etc. Coaches will determine the route their team chooses to procure uniforms. We cannot guarantee team placement but strive to place all registrants! Individuals who are not able to be placed on a team, will receive a full refund.

Individuals who already have a pre-determined team will pay their coach, as part of a team fee. They are not required to make a payment to Republic Parks & Rec at the time of registration but will instead pay their coach. Team Fees are divided among the participants of that pre-determined team. Coaches will collect the team registration fee (see table provided on cover page) and any additional expenses such as uniforms.

6 U SOFTBALL T-BALL

6 & UNDER T-BALL – 2023

Rules of Play:

1. The umpire will flip a coin to start the game and determine home team. No official score will be kept and no outs will be enforced in T-Ball.
2. Games will last 5 innings or 55 minutes (whichever comes first). No new inning shall be started after 55 minutes of play.
3. All batters will bat in rotation until all players have batted.
4. During the act of baserunning, the ball is considered dead when in possession of the pitcher, or player within the pitching circle, or when it is determined that a fielder intentionally throws the ball to the pitcher (regardless of whether the pitcher catches the ball). If a runner is more than halfway to a base before the ball enters the circle, then the runner can finish running to the base.
5. 10 players will be permitted on the playing field. 6 players must be present to start the game. Game time is forfeit time. A 5-minute grace period (with a running clock) will be permitted for the 1st game only. A forfeited game will not be umpired. If a player is injured and cannot bat, he/she is no longer allowed to re-enter the game. If a player is no longer able to play due to an injury their spot in the batting order will be skipped and no out must be taken.
6. Bunting will not be allowed. Balls that are not hit beyond the 5ft arc are considered a foul-ball.
7. Leading off and stealing are not permitted. If a baserunner is declared "out", they will still be permitted to run the base paths.
8. Free substitution will be allowed.
9. Players who are 6 years of age or under on January 1st, 2024 shall be eligible to play. A player is allowed to play up an age group, but players are not allowed to play down an age group.
10. Girls are allowed to play in the boys division.
11. Players may play on only one team in the T-Ball program. Players may play in two different age divisions. A team found using a player who is on another roster in the same age division will forfeit that game and the player will be suspended for the next two games. If the event occurs at the end of a season the player will be suspended for the first two games of the following season.
12. All team members present and dressed out at the beginning of the game must play at least 2 innings of each game. The number of innings played may be monitored. If a coach is found to be playing a player less than 2 innings the team will forfeit that game and the coach will be suspended for the next game.
13. All teams must have a minimum of 12 participating players on their roster and no more than 15.
14. Should a team forfeit two consecutive games without notifying the Recreation Department the team will be dropped from the league. Notification must be given two working days prior to the forfeiture.
15. Base and pitching distance for boys and girls:
Bases – 60' Pitching – 35' or within the circle
16. The adult pitcher must pitch inside the pitching circle. The kid pitcher must stand to the side of the adult pitcher and in the circle. The adult pitcher is not allowed to field the ball. If the adult pitcher fields the ball the batter will be called out and the base runners must return to where they started. The adult pitcher is only allowed to defend him/herself and is expected to move out of the way if at all possible. The coach pitch pitchers can pitch either overhand or underhand.

6U SOFTBALL T-BALL

17. A defensive coach is permitted in the outfield to assist fielders on where to throw the ball. However, the coach may not at any time touch the ball or the fielder while play is going on.
18. There will be no infield fly rule. Runners are not forced to slide, this is a non-collision rule. When the ball is caught by the fielder and is in close proximity of any base/plate and in the umpire's discretion a play is eminent, it is the responsibility of the runner to avoid collision with the fielder either by sliding or avoiding the tag. If in the umpire's discretion, the collision is deliberate or there is too much contact the runner will be called out. If in the umpire's discretion the collision is malicious, the player can be called out and possibly ejected from the game. This is not a must slide rule, but a non-collision rule.
19. Batters, baserunners, and on deck batters must wear protective helmets. Catchers must wear a minimum of helmet and mask while the game is in play.
20. In the baseball league, only baseball bats may be utilized; in the softball league, only softball bats may be utilized. If the batter throws the bat, they will receive one warning and will be called out if it happens a second time. If the bat is thrown and hits a defensive player, the batter will automatically be called out.
21. Every field will use a double first base and both bases can be used by defense and offense.
22. No protests are allowed on judgement calls of the officials. The official score sheet will be final. Concerns about officials must be made to the recreation supervisor. All protests must be filed by the head coach or the assistant coach at the Activity Center within twenty-four hours of the violation.
23. Coaches are prohibited from coaching more than two teams in the same league.
24. Coaches and participants are required to express post-game acknowledgements and "good games" to the opposing team, as an act of displaying good sportsmanship.

Each team will be given up to 3 coaches passes for free entry into the ballpark. All other persons, excluding players, over the age of 12 and under the age of 65 must pay a \$3.00 entry fee and 65 and older must pay \$2.00.

If the same person is ejected from another game, they will be suspended indefinitely from the Republic Parks & Recreation programs pending a meeting with the Recreation Supervisor and/or the Community Services Director. Further problems from the team may result in a forfeit of the game.
26. The Coaches Code of Ethics must be signed by the head coach and the assistant coach online or at the coaches meeting, prior to the season beginning.
27. The Recreation Supervisor reserves the right to make final determination on any rules or interpretations that may arise throughout the season.
