- 5. The team bench for Pee wee goes from the 10-yard line to the opposite 10-yard line. The team bench for Midgets goes from the 20-yard line to the opposite 20-yard line.
 - a. Crossing over these designated yard lines will result in a warning on the first offense and a delay of game penalty on all subsequent occurrences.
- 6. The home team is responsible for preparing and equipping the field for a safe and competitive game. The home team shall furnish a padded down box, a 10-yard chain, sideline yard markers, and an official game ball.
- 7. A marker to display the remaining play count will also be provided and remain near the down box or a scorekeeper from both teams will stand together to confirm each play and score.

Rule 2 – Game Officials

2. The “2 minute warning” will be substituted with a “6 plays remaining” notification to the teams and coaches.
3. Extra points will not count as a play.
4. Any penalty that is accepted will not count as a play.
 - a. The only exception to this would be on the last play of a half or game. If there is a penalty on the team with the ball that play would count and it would end the half or game. If the penalty is on the defense, then another play would be allowed, because a game cannot end on a defensive penalty.
5. Halftime will be 10 minutes.
6. Huddles will be 60 seconds. (1 warning and then a penalty for delay of game).
7. Each team is allowed 3 time-outs per half. The time-outs will be 1 minute each and the officials will be responsible for keeping the time.

Rule 2 – Position of the Ball

	60 Yard Field	80 Yard Field
Kickoff	20	30
Safety and Touchbacks	14/12	21/16
Extra Points	2 1/2	2 1/2

Rule 3 – Scoring

1. The Point After Touchdown (PAT) is worth the following:
 - a. 1 point upon completion of a successful play that is ran across the goal line. A forward passing play that is caught and then ran across the goal line is considered a running play and only 1 point will be awarded.
 - b. Two points will be awarded upon the completion of a successful passing play that is caught in the end-zone.
2. Safeties will count as two points. After a safety the ball will be kicked from the 14-yard line for Pee wee and from the 21-yard line for Midgets. This is a free kick, so the ball can be punted or kicked from a tee. The ball is live after it travels 10 yards.
3. The mercy rule is established at 45 points. Upon exceeding a point differential of greater than 45 points after half time, the game will be stopped and declared a victory for the team with the most points. The losing team can decide if they want to continue to play out the remainder of the game, but no score will be kept.

Rule 4 – Overtime

1. Overtime will be conducted as done at the high school level. Only 2 attempts per team to break the tie in regular season. Overtime will continue indefinitely for play-offs.

2. One time-out for overtime.
3. During overtime, the ball starts on the 10-yard line. Each team will get the opportunity to score. The overtime will take place at the same end of the field.
4. During overtime, if the ball is intercepted or fumbled and recovered by the defense, it is not a live ball. The play is dead at that point and now the defensive team gets the ball for their overtime try.

Rule 5 – Penalties and Yardage

1. In Peewee, all NFHS rule infractions that equate to a 15-yard penalty will be assessed 9 yards. A 10-yard penalty will be assessed 6 yards. A 5-yard penalty will be assessed 3 yards.
2. In the Midgets division all NFHS rule infractions that equate to a 15-yard penalty will be assessed 12 yards. A 10-yard penalty will be assessed 8 yards, and a 5-yard penalty will be assessed 4 yards.
3. All distances that are not specified in these rules will be 60% of the high school rules for Peewee and 80% for Midget.
4. All penalties must be accepted or declined by designated team captains except for personal fouls, unsportsmanlike conduct, and false starts.

Rule 6 – Personal Fouls and Ejections

1. Two personal fouls on the same player will result in ejection of that player from the rest of that game (Referees discretion).
2. If a player is ejected from a game, the player must sit 4 consecutive quarters after the quarter of ejection, not including overtime.
 - a. Upon the second ejection in a single season the player may not return to play unless approved by majority vote of the Board of Directors.
 - b. Player ejections are not subject to appeal.
3. If a coach is ejected from a CPYL game, one additional game suspension will be imposed. Coach is not allowed at game site while suspended, violations will result in an additional game suspension.
 - a. Upon the second ejection in a single season the coach may not return unless approved by majority vote of the Board of Directors.
4. All coach and player ejections must be reported by that team by 5pm the following Monday to the Board President. Any ejections not reported will result in suspension for the rest of the year.

Rule 7 – Play Recorders

1. For all games, two play recorders, one representing each team, shall stay together during the game, and shall record the plays on the league score sheet thus determining when the quarters are completed.
 - a. Play recorders shall remain by the down box during the game.
2. The play recorders shall notify the referee, who shall notify both team captains and coaches when six (6) plays remain in each quarter.
3. Any discrepancies between the play recorders shall be resolved by a flip of a coin by the referee.

Rule 8 – Game Balls and Equipment

1. The official league game ball is any brand football with a leather or composite material cover that is labeled peewee for Peewee and Junior for the Midgets.
2. Mouthpieces are mandatory.
 - a. If a mouthpiece is not in at the snap of the ball, it will result in a penalty of 5-yards.
3. Non-abrasive gloves will be allowed.

4. For all age groups, teams must have an official jersey with number corresponding to their individual roster number.
5. Two players with the same jersey number should not be on the field at the same time.
 - a. Jersey numbering restrictions and specifications related to specific football positions do not apply.

Rule 9 – Coaches

1. Only players, maximum of 4 coaches, and one scorekeeper are allowed on the sidelines. Absolutely no spectators.
 - a. It is the coach's obligation to enforce this rule.
 - b. Anyone not following this rule will have a warning, and the next time will result in a flag against the spectator's team.
2. Midget coaches must remain on the sideline during the game.
3. During an injury timeout, it is ok to have 2 coaches on the field. One coach with the team and one coach with the injured player. One Peewee coach from each team must be on the field during the game and control the game.
 - a. Each coach must be at least 10 yards behind the deepest player.

Rule 10 - Fans and Complaints:

1. Any spectator that becomes unruly and has been given a warning and continues to be unruly will be asked to leave the field before the game will be continued.
 - a. Coaches are expected to control spectators, not referees.
 - b. If the fan does not leave, the team associated with the fan will have to forfeit the game.
2. Because of insurance liability, no fans are allowed to be on the field or sideline.
3. Unruly spectators may be subject to further disciplinary action by the league.
4. Referees are not allowed to explain or converse with spectators but are allowed to explain or discuss calls with the head coach.
5. The league has established the following proper chain of command to deal with complaints or problems:
 - a. The first level to address any complaints or problems is with the head coach of the subject team.
 - b. If further assistance is needed, the issue should be addressed with the subject community's representative.
 - c. Finally, if the issue can still not be resolved, then a written and signed complaint should be sent to the League President and the matter will be addressed by the League Board of Directors.

Rule 11 – Turnovers

1. Non-ball carrying position players can only advance the ball when on the front line of a kick-off, intercepting a pass, recovering a fumble, or a blocked punt.
2. When the snap of the football is "muffed" from the center to the quarterback the play is a live fumble and change of possession is possible.

Rule 12 - Kicking

1. To start the game, half, after a TD, field goal or safety the ball will be placed on the 15 yard line. Any punt that crosses into the end-zone cannot be returned. Punts that go into the end-zone will be brought out to the 15-yard line.
 - a. The only exception to this rule is if the ball is touched by the receiving team prior to the ball crossing into the end-zone.
2. Peewee only:

- a. On 4th down teams have the option to run a play, punt, or turn the ball over 20 yards down the field to the other team.
 - b. No rushing the punter.
3. Offensive and defensive players cannot make contact until the punter has kicked the ball. Once the ball is punted and makes it to the line of scrimmage, the ball is live and traditional NFHS rules pertain.
4. If the ball is kicked backwards the punter can go get it and come back and re-punt the ball.
5. If the ball does not cross the line of scrimmage the punter will re-punt, but not re-hike.
6. No defensive player can ram the center from a 2-point stance.
7. When the offensive team is in a long snap (kicks or punts, not shotgun) formation, any players lined up within one yard of the defensive line must be even with or outside of the offensive guards.

Rule 13 - Offensive Line and Defense

1. At least five (5) players must be on the offensive line of scrimmage at all times.
2. In peewee, teams cannot line up a nose guard directly over the center at any time. This includes a player lined up in a 2-point stance. **Players cannot line up or rush/"blitz" the A gap.**
 1. Because of this rule, a quarterback sneak taken from under center must advance the ball to the outside of the guards.
3. A nose guard is allowed in the Midgets division, **but the first point of contact must be a lineman other than the center.**
4. After a team is up by 4 touchdowns or more in the second half, the winning team will not be allowed to blitz.

4. Rescheduled games will be played as soon as possible by mutual agreement.

Rule 2 Playoff Structure

1. Playoff seeds will be determined on regular season standings (6-week season).
2. Ties will be broken by:
