# Our Organization

The Sandhills Patriots are a prominent travel youth football team based in the Sandhills region of North Carolina. Was founded in 2013, and run by all volunteers. Known for our dedication, sportsmanship, and competitive spirit, the Patriots have consistently been a force to be reckoned with in the football scene.

**Team Philosophy:** The Patriots are committed to providing a positive and supportive environment for young athletes to develop their football skills while learning important life lessons such as teamwork, discipline, and perseverance. The team's coaching staff emphasizes the importance of sportsmanship, fair play, and academic achievement. While fostering a family atmosphere.

**Age Groups and Divisions:** We have teams in various age groups from 7-14, catering to players of different skill levels and developmental stages. This allows players to compete at their appropriate level and continue to grow and improve within the program. We compete in the CYA to offer real time competitive playing experience to our players. Preparing them for higher level football the organization is a direct feeder for the Pinecrest High School football team.

# We Need Sponsors!

We're excited to announce that moving forward we've made the decision to offer affordable football to all interested participants. This exciting change is made possible by the generous support of our community. However, to ensure the continued success and growth of our program, we urgently need your help.

## Why Affordable Football?

- **Accessibility:** By eliminating financial barriers, we can make football accessible to all children in our community, regardless of their family's circumstances.
- **Community Building:** Football foster a stronger sense of unity and belonging among our youth.
- **Talent Development:** It provides opportunities for talented young athletes to showcase their skills and potentially pursue higher-level football.

## How You Can Help:

Your sponsorship can make a significant difference in the lives of our young athletes. Your contribution will help us cover costs such as:

- **Equipment:** Purchase of helmets, pads, and other necessary gear.
- **Field Rental Cost**
- **Organizational Cost:** Registration fees, player insurance, ect.

## Your Impact:

By becoming a sponsor, you're not just investing in our football program; you're investing in the future of our community. Your support will help create lasting memories, develop valuable life skills, and inspire the next generation of athletes.
