The following are adaptations that supersede the 2022-23 NFHS Rule Book for the Milwaukee Recreation Adult Basketball Leagues:

- A. All periods of regulation play shall be **18-minute running halves**.
- B. The clock will stop ONLY for time outs, except during the last 2 minutes of each half when the clock will operate in accordance with the National Federation High School (NFHS) Rules – *Example: After a timeout, the clock will start when the ball is touched by a player inbounds.*
- C. **Mercy Rule:** If a team is ahead by 20 points or more at any point after the start of the second half, the clock will run continuously, except during officials and team time-outs. If at any time the point difference falls below 20 points under 2 minutes in the 2nd half, the clock will stop on all whistles.
- D. Overtime period (Regular Season & Playoffs):
ELAM ENDING: A target score is set at the end of regulation by adding 6 points to the tie score. – EX) if the game is 60-60 heading into overtime, the target score will be the first team to 66 points. The game clock will be eliminated and teams will play until one team reaches the target score. All team/player fouls and timeouts remaining carry over into Overtime.
The official is authorized to stop the clock for any unusual delay in getting the ball in play but must restart the clock as soon as the delay has ended.
- E. **Grace Period:** The officials will allow a ten (10) minute grace period before forfeiting a game due to lack of players. As soon as four (4) players are present, the game must begin. The grace period is charged against playing time.

2. **TIME OUTS**

- A. Each team has **3 full length timeouts** per game.
- B. Any unused timeouts will carry over into an overtime period and one additional timeout is awarded in Overtime.

3. **TEAM UNIFORMS/SHIRT**

- A. Each team is **REQUIRED** to supply team uniforms.
- B. **Uniform COLOR** - Chosen at the time of registration (all teammates must wear the same color uniform).
- C. **Uniform NUMBERS**
 - 1. Number Placement: Each uniform must have a number. Placement may be printed on the front or back of the uniform **HOWEVER**, all uniforms must be identical as to the placement of the numbers.
 - 2. The numbers must be **PERMANENT** (silk-screen, iron-on method, sewn on or some other permanent method). Tape is not acceptable. Numbers attached with tape, composed of tape, hand drawn with magic marker or other material will be considered **illegal numbers**.
- D. **Anyone unable to meet legal uniform requirements MUST wear the provided pinnies. **NO EXCEPTIONS.****
- E. Milwaukee Recreation will have a supply of pinnies on game days, but encourage teams to equip themselves if possible.

The player must leave the gym immediately upon ejection. If the ejected player does not leave the gym in a reasonable amount of time, further action, as deemed appropriate by the referee may result, and could result in forfeiture of the game.

1. PLAYER PARTICIPATION

A. Team Rosters

Individuals are eligible to play by registering online (Team Sideline) and agreeing to the player waiver. Teams may have an unlimited number of players on their roster. All players must be registered on the team sideline roster by the 3rd week of play. Rosters will LOCK after Week 3 and no players are to be added after that point. If a team is found to have played with an illegal player upon review of the game sheets by the administration, they will forfeit the game.

B. A player may register to play on more than one team in the Milwaukee Recreation Municipal Basketball Program. Players may not participate on more than one team in the same league.

C. Sign In Sheet/ID: All players must print their name on the sign in sheet before entering the game in order to be considered a legal player. All players must be prepared to present an ID in the event of an eligibility challenge.

- A player arriving to the game late must wait for a dead ball before signing in and entering the game.**

2. GAME BALL - Each team must furnish an official basketball (leather) in good condition and deemed playable by the officials.

3. TIE-BREAKER PROCEDURES

The following system will be used to determine league winners and tournament seeding:

- Head-to-Head Competition
- Head-to-Head Differential (If split season series)
- The team with the greatest total point differential against common opponents. In most cases, this will include all games, however, there may be situations that occur where a team did not play every team due to forfeit, weather, etc.
 - If any of the match-ups resulted in a forfeit, the forfeiting team will automatically lose the tie breaker.*
 - In the event that all scheduled games are not able to be completed due to unforeseen circumstances (i.e. weather), winning percentage will be used to break a tie.

NOTE: Adult Sports office will have full discretion in determining position and placement for all teams that have qualified for the tournament.
