

9u/10u/11u/12u All-Star Tournament Team Commitment Form

At the conclusion of our 2026 regular season, teams representing WULL will begin competing in tournaments sanctioned by Little League International and/or LL Texas District 16.

The first step in the team selection process is to identify those players that wish to be considered for the team. While there will be two All-Star teams per age group (and three teams at the 11u age group), only one team will represent WULL in the Texas District 16 tournament and potentially beyond. The other team(s) will play in the Blue/Gray tournament. Players can select to be included for consideration for 1) both teams, 2) only the District team, or 3) only the Blue/Gray team (selection options below). Please note that players currently in the AAA Division may only be considered for the AAA All-Star team that will play in the Blue/Gray tournament and are ineligible for the 11U District Team.

By making the commitment below, you will make your child eligible for selection, and your child's name will appear on the All-Star ballot. If selected for the team, your child will be required to sign a WULL tournament team code of conduct which sets out WULL's expectations regarding sportsmanship and team conduct.

WULL will, at its sole and exclusive discretion, consider those circumstances in determining your child's eligibility to be listed on the ballot.
