Team Sponsorship

Each season, Sanger Softball Association coaches seek sponsorships for their teams. Sponsorship money provides advertising for your business on the back of each child's jersey, and is a tax-deductible donation. Your sponsorship money assists the league in paying for umpire and equipment expenses. Donations are accepted for the following amounts (but can be split between several businesses):

Softball	\$300
Other	\$ Any Amount

Thank you so much for your generous consideration in sponsoring one of Sanger Softball Association's teams. We appreciate your support for the children in our community!
