

YOUTH BASKETBALL LEAGUE FAQ'S RA's

When does registration open for Fall Basketball?

Early Bird registration is August 19-October 7 \$110/Resident \$130/Non-Resident Standard registration is October 8-October 14 \$130/Res \$150/ Non-Res

(Please stress the Early Bird/Standard registration when giving information about the league since there will be no Registration after October 14).

Where can players register?

1. Online through WebTrac
2. Rosemeade Recreation Center
3. Crosby Recreation Center

Do Farmers Branch residents get the resident rate?

No.

When will the parents be contacted with team and coach's information?

Parents will receive an email by October 7th with instructions to log in to their Team Sideline account. Once logged in they will be able to view their team and coach information. Please make sure the email in Rec Trac is correct.

What if the registration deadline is missed?

A waitlist will be created so you may add the player to the list. There will be no fees collected until a player is placed on a team. Please make sure the parent knows there is no guarantee his/her child will be placed on a team. If the child is able to be placed on a team a staff member will call and let parent know and payment will be collected at that time.

Can a child request to be with previous coach/teammate?

Yes. There will be several returning players that will want to be with the same team/coach as the year before. There will be a space on the registration form where they are able to put the name of the coach or teammate's name. If they do, please make sure they put the full name of either coach or teammate. This will make it easier when teams are put together.

Can my child play up a division or two?

The child may only play up one age group. All other requests must be submitted to the League Coordinator and are subject to his/her approval.

Player Registration Forms

Please make sure that the information that is on the registration form matches the information in RecTrac. The information we have in RecTrac is what we give to coaches to contact parents regarding practice time, games, and anything they may need.

Coaches Forms

Please make sure they sign the form at the bottom.
