

Wilson Premier Youth Baseball After-the-Game Offer

Begins May 1, 2025 (Thursday)

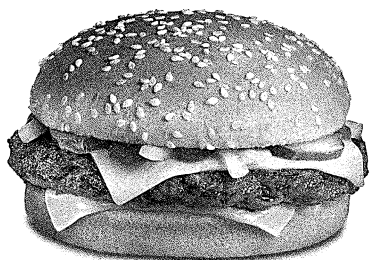

Available only at McDonald's - 13th & College (6262 S. 13th St., Milwaukee)

Players

McDonald's will give a **free small order of french fries** to any Wilson Premier Youth Baseball player who visits in uniform (shirt, hat, and pants) after playing in a game, according to the official League schedule. No additional purchase is required to receive the free fries. However, there is a limit of one free order of fries per player, per game. Players will receive a hand stamp when they pick up their fries. **Free fries are available in drive-thru or at the inside counter.** (No walk ups or bicycles allowed in drive-thru.)

Although McDonald's welcomes parents to accompany their child to McDonald's after the game, it is not required that a parent be present, provided the child behaves. If you plan to send your child to McDonald's without a parent, please remind your child to be on their best behavior. McDonald's will not tolerate wild behavior such as running, shouting, or throwing food. McDonald's does not expect the League Staff to supervise the players who visit McDonald's. However, if a coach or manager notices any player not acting properly, the player's name will be reported to a Wilson Premier Youth Baseball board member for possible revocation of privileges.

Coaches & Team Managers

In addition to providing free fries to the players, McDonald's will give a V.I.P. Punch Card to the coaches and managers of each team. Punch cards are valid only after a game on official game days. Each Punch Card is good for six free

Quarter Pounder with Cheese sandwiches. Limit one free sandwich per game day. Punch Cards will not be redeemed if transferred to someone who is not a member of the coach/management staff, such as a spouse or minor. Up to four punch cards are available per team.
