Teams will be allowed 1 minute between quarters and 5 minutes for half time.

The Start and Restart of Play

- Preliminaries

A coin is tossed and the team, which wins the toss, decides which goal it will attack in the first half of the match. The other team takes the kick off to start the match. The team, which wins the toss, takes the kick off to start the second half of the match. In the second half of the match the teams change ends and attack the opposite goals.

- Kick-off

A kick off is a way of starting or restarting play: at the start of the match, after a goal has been scored, at the start of quarters and second half of the match. A goal may be scored directly from the kick off.

Procedure

All players are in their own half of the field. The opponents of the team taking the kick off are at least 8 yards from the ball until it is in play. The ball is stationary on the center mark. The referee gives a signal. The ball is in play when it is kicked and moves forward. The kicker does not touch the ball a second time until it has touched another player. After a team scores a goal, the kick off is taken by the other team.

Infringements/Sanctions

If the kicker touches the ball a second time before it has touched another player: an indirect free kick is awarded to the opposing team to be taken from the place where the infringement occurred. For any other infringement of the kick off procedure: the kick off is retaken.

- Dropped Ball

A dropped ball is a way of restarting the match after a temporary stoppage becomes necessary, while the ball is in play, for any reason not mentioned elsewhere in the Laws of the Game.

Procedure

The referee drops the ball at the place where it was located when play was stopped. Play restarts when the ball touches the ground.

Infringements/Sanctions

The ball dropped again: if a player touches it before it makes contact with the ground. If the ball leaves the field of play after it makes contact with the ground, without player touching it.

The Ball in and Out of Play

- Ball Out of Play

The ball is out of play when: it has wholly crossed the goal line or touchline whether on the ground or in the air. Play has been stopped by the referee.

- Ball In Play

The ball is in play at all other times, including when: it rebounds from a goalpost or crossbar and remains in the field of play. It rebounds from the referee when the are on the field of play.

The Method of Scoring

- Goal Scored

A goal is scored when the whole of the ball passes over the goal line.

Goals scored inside the arc are allowed.

Defending inside the arc is not allowed unless the ball is in the arc.

Offside

- There shall be no offside.

Fouls and Misconduct

- Any player who commits one of the following offences shall be penalized and the opposing team awarded a direct free kick:
 - Kicks or attempts to kick an opponent
 - Trips or attempts to trip an opponent
 - Jumps at an opponent
 - Charges an opponent
 - Strikes or attempts to strike an opponent
 - Pushes an opponent
 - Slide tackle
 - Holds an opponent
 - Spits at an opponent
 - Handles the ball deliberately. It is not considered a "hand ball" when the ball hits the player's hand and no advantage is gained. A player must deliberately try to handle the ball for a foul to occur.
- Indirect free kicks are awarded if the following should occur:
 - Dangerous play
 - Charging shoulder to shoulder while away from the ball

Free Kicks

- Free Kicks are one of two types:
 1. Direct kick- a kick awarded after a serious foul in which a goal can be scored direct against the offending side.
 2. Indirect kick- a kick awarded after a foul where the ball must be touched by another player from either team before going into the goal.

For both types of kicks, opponents must be 6 yards away before kick is allowed.

The Penalty Kick

No Penalty Kicks.

The Throw In

- A throw in is awarded: when the whole of the ball passes over the touch line, either on the ground or in the air, from the point where it crossed the touch line to the opponents of the player who last touched the ball.

Procedure

At the moment of delivering the ball, the thrower:

- Faces the field of play

- Has part of each foot either on the touchline or on the ground outside the touchline.

- Uses both hands

- Delivers the ball from behind and over their head

- The thrower may not touch the ball again until it has touched another player

- The ball is in play immediately it enters the field of play

The Goal Kick

A goal kick is a method of restarting play. A goal may be scored directly from a goal kick, but only against the opposing team. A goal kick is awarded when: the whole of the ball, having last touched a player of the attacking team, passes over the goal line, either on the ground or in the air.

Procedure

- The ball is kicked from any point within the goal arc by a player of the defending team.

Opponents remain at least 4 yards from the ball until it is in play.

The kicker does not play the ball a second time until it has touched another player.

Infringements

If the ball is not kicked directly into play beyond the penalty area: the kick is retaken.

The Corner Kick

A corner kick is a method of restarting play.

A corner kick is awarded when:

The whole of the ball, having last touched a player of the defending team, passes over the goal line, either on the ground or in the air, and a goal is not scored.

Procedure

The ball is placed inside the corner arc at the nearest corner flag post.

The corner flag post is not moved.

Opponents remain at least 4 yards from the ball until it is in play.

A player of the attacking team kicks the ball.

The ball is in play when it is kicked and moves.

The kicker does not play the ball a second time until another player has touched it

NOTE: Any player or spectator who is ejected from a game for unsportsmanlike behavior, at a minimum will be suspended for the remainder of that game and the next game that their team plays.
