However, if the minimum amount of players does not show up (4) a scrimmage between both teams will be offered. Both coaches must agree to this option and understand that the team with more players will end up mixing players with the team with the least players in order for it to take place. This scrimmage does not count towards either teams record but the team without enough players will still have to forfeit resulting in them taking a lost and the other team winning.**
- **Rule 20 Fouls**
  - Player disqualification takes place on the 5th player foul
